CHESS COMPETITION
Congratulations to the six Seabrook students who took part on Monday in the school chess competition for the first time held by Chess Australia. The six boys representing our school were Chase Warburton, Devon Foster (year 6), From year 5 was Byron Muir and Steven Wang, Romeo Ardel Martinez Ray Dian Lim from grade 3 played against children from Footscray Primary, Wembley Primary, Altona Meadows Primary and Lumen Christi Primary schools. Endre's perseverance has paid off with the boys returning each with a bronze medal. Chase came in with top score for Seabrook winning five of seven matches. Thank you to the patents who supported the children on the day. Hopefully next year Seabrook can send another team to represent the school. Learning chess develops so many valuable life long skills of deep thinking, logic and strategy. The team will play in the state final in Term 4. We wish them well with their training and preparation for this next level of competition.

REPORTS 3 WAY CONFERENCES
Parents will receive a synopsis of their child’s achievement via the school report towards the end of June but Thursday 27th is a special day for our students as they will be sharing with you their learning achievements so far this year.

Parents will be given the opportunity, open this Friday, to book in a time for the student led conference so the children can direct their parents through their portfolios discussing significant learning and demonstrate how their learning will take shape in the future through their goal setting. The twenty-minute appointment allows each child to demonstrate some ownership for their learning and become accountable for their efforts. We hope you will take the time to look around their learning areas and make appointments to spend time with some of the specialist teachers while you are here on Thursday. While we recognise English and Maths are key learning areas in the primary school we also acknowledge the wonderful opportunities provided through the excellent specialist teaching programs provided through art, physical education, learning another language – Italian, library. Teachers in these areas are very keen to host visitors on the day and will be open for appointments through the on-line booking system. Appointments can be made on Friday and a note will be coming home then with the appropriate codes. Please contact us if you need some assistance with booking appointment times.

REPORTS CARDS
This year the student report cards will have some subtle changes from the past. Schools are now in transition of moving from the Victorian Essential Learning Standards to the Australian curriculum. Victorian students will be assessed against AusVELS, the Victorian version in English, Maths, History and Science and for this reason will not have the dotted growth line over the twelve months as in the past. If you have questions about your child's report please see your child’s teacher after the student-led conference.

NAIDOC WEEK
Seabrook has been celebrating NAIDOC week. Please see pages 6 &7 for more details.

PAPER NEWSLETTER
We are phasing out the printing of our weekly newsletter and curriculum overviews meaning families can access them from our Seabrook website www.seabrook.vic.edu.au From week one of term 3 the newsletter will no longer be printed and distributed, apart from the families who have informed us in writing they will not be able to access the electronic versions. We are finalizing the numbers now and have only a few weeks left for notification. Please fill in the slip if you will not be able to access these documents on our website from July.

INTERNATIONAL MINDEDNESS

As a Primary Years school in the International Baccalaureate Program all the staff at Seabrook Primary School are committed to developing international mindedness.

Our programs are based on the premise that education can foster understanding among young people of the world enabling future generations to live more peacefully and productively than we do today.

The aim of our programs is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help create a better and more peaceful world.

Examples of ways we develop international mindedness at Seabrook include:

- posters and books showing children from many countries
- cultural artefacts and celebrating cultural diversity through dance, music, costumes, food and celebration
- in depth study of folk tales from many cultures
- global issues e.g. conservation, energy, water, endangered species, disasters, peace, justice
- studies on migration and refugees and through interviews, role plays and literature study to develop an empathy and understanding
- sharing of beliefs, symbolism and philosophies from many cultures
- investigations into values, culture and traditions
- indigenous communities around the world
- arts from many cultures

At Seabrook we have families from 87 different countries and children who come from homes where 35 different languages are spoken. We are indeed fortunate to have a school with such rich and varied cultural backgrounds. We value the sharing and knowledge that the children bring from their family culture and from their curiosity and investigations into world issues.

Thank you for all the artefacts and knowledge you help the children share with their classmates. We appreciate this and encourage to keep on being involved and supportive in your child’s learning.

Ann O’Connor.

Bike Education

Bike Helmets Save Lives  No Helmet = No bike

The problem
Over 300 cyclists are seriously injured or killed in Victoria each year. Head injuries are a major cause of death and serious injury to cyclists. Children are not the only cyclists injured, as about 85 per cent are over 16 years of age. Bicycle crashes occur in metropolitan and country locations, on quiet streets, bike paths and busy roads – in fact any place you can ride.

Helmets work!
The foam in a helmet is designed to spread the force and absorb the energy of an impact. This reduces the risk of head injury, when your head hits an object or the road.

For information about research that show bicycle helmets reduce the risk of head injury visit www.vicroads.vic.gov.au/bicyclehelmets

The Fine
The current on-the-spot fine for not wearing a securely fitted Australian approved bicycle helmet, including bicycle passengers is $176 for children and adults.

At Seabrook PS.
Students riding to and from school must wear a securely fitted helmet for their own safety at all times. They should only remove their helmet once they have arrived at the bike racks as teachers are monitoring bike helmet usage. Helmets in bags or hanging on handlebars are not considered “worn”.

Parents
Please help us to keep your children safe by insisting that helmets are worn correctly…always.

No helmet = No bike

Western Conference Basketball Trials

We mentioned last week that Paul Tsapatolis from 5JB was trialling at the Western Conference Basketball trials at Altona Basketball Stadium. There were 65 boys there from across the whole western region of Melbourne and only 16 were to be chosen to attend the final State Trial Camp that is held on the mid-year holidays. Paul performed very well on the day, but with a strong pool of talent to select from, he unfortunately missed out this year. It was still a great achievement from Paul, who is only in grade 5 this year and therefore will be able to trial again next year. With another year of basketball under his belt, he might be able to take the next step towards the State Team. Well done and good luck!

Divisional Cross Country

Well done to our 11 students who competed at the Divisional Cross Country sports on Tuesday the 28th May. It was a perfect day for running at Brimbank Park and our students performed very well. There were around 30 children in every race from Altona, Spotswood and Laverton District (which we are part of) and to progress to the Regional Finals in June you had to come in the top 5. Here are some photos taken on the day.

SCHOOL JUMPER

Sophie-May White from 5AC

Has lost her school jumper, this jumper is clearly labeled with her name, kindly return it to her class.

SPORTS EQUIPMENT

A hockey stick, hockey ball, mouthguard and shins pad were left hanging in a white and red bag outside Room 19 on Monday 20th May 2013 during after school care and then taken. If you have then please return to 1SP or the office. (these items belong to Flynn Boothroyd)
'NAIDOC Week is a time when all Australians can come together to celebrate our Aboriginal and
Torres Strait Islander Cultures and reflect on how we all can play a part in advancing Reconciliation.'

The Honourable Julia Gillard

Seabrook Primary is proud to celebrate NAIDOC Week, giving our children an opportunity to
learn about our Indigenous history. This year we have integrated NAIDOC Week with some of
our Inquiry learning. Grades 1, 2 and 5 were involved in incursions where we engaged
members of our local indigenous community. Children had the opportunity to learn about the
Welcoming Ceremony, Dance, Art, Artefacts and dreamtime storytelling.

Yamba Conrad Ross and Andrew Travis (Warrangal meaning Wild Dingo) presented the
incursions to the children. Andrew is from Purnim in the Western Region and lived in
Warnambool Framlingham Mission. His family have lived in Victoria all their life. They speak
Gunditjmara(Belonging to Country). Yamba, is a member of the Gayiri people, and originates
from Springsure in Queensland. The Gayiri People are from the Emerald Springsure Area.
Springsure is a small town in Queensland, 66 km south of Emerald on the Gregory Highway.
They were also known as the rainforest people.
The theme for NAIDOC Week this year is: ‘We value the vision: YIRRKALA BARK PETITIONS 1963’. These were the first traditional documents prepared by Indigenous Australians that were recognised by the Australian Parliament, and are thus the first documentary recognition of Indigenous people in Australian law.

As part of our celebration of NAIDOC Week, children will participate in a colouring-in and a short story writing competition, with the chance of winning some fabulous prizes. We will also be selling a NAIDOC Week Pack for $3.00, which consists of a pencil case, respect band, pen and sports sweatband, to support this national initiative.

We look forward to your continued support.
The grade fours have been inquiring into how we can communicate powerful and creative messages. As part of our learning we have experimented with many different language features in poetry, especially emotive language. Here are two poems, written by grade four students in honor of NAIDOC week.

**The White Spirits Arrive**

Brown skin, people with hunting tools
Sweet hearts shattered by white spirits
Heaps of them
Took their land, stole their children
Gave them to a white family
Thought they were better
Selfish
That’s what the white spirits were
Hearts broken
One
By
One
While the whites took over.

Written by Skye Klaver (4RM)

**What if things were different?**

Their tools were strong – boomerangs, spears
But
They were no match for guns

We stole their babes,
Named them the lost generation,
Identity is gone
Trapped in two worlds

We stormed through their land
Nothing stopped us

Their dot paintings made no sense
Yet….
They tell a story of life
Before
Dreams were shattered.

They tried to stop us
But it was too late
Their land, their food, their plants,
Their homes, their babies, their animals
All lost in time.

They are nearly extinct…

What have we done?
We could have lived together
In harmony
Like a pair of chopsticks

Who can save the Indigenous Australians now?

INCURSION / EXCURSION / FUNDRAISING MONEY

When sending in money for incursions, excursions, fundraising etc., please send in the correct money and ensure that you have **separate envelopes** for each **separate activity/event**. We **cannot accept foreign coins**, as they are rejected by the bank, so therefore will be returned to you. Please check you have included Australian currency only. Money is not kept in the office so we cannot provide change.

Parents need to give the correct money in a clearly marked envelope, in the mornings only, to the classroom teacher. **Teachers are unable to accept money at the end of the school day as they are unable to leave money in the classroom. Cash payments are not accepted at the office.** Parents are welcome to call into the school office to collect a few school payment envelopes to leave at home for this purpose. Alternatively, please ensure that the money is in a clearly marked envelope with **student’s name, grade and amount and activity/event**.

Thank you for your co-operation.

SCHOOL BANKING - EVERY WEDNESDAY

**Wednesday 19th June 2013 is the last day of School Banking for term 2.**

Well done to the **158 students** that banked last week.

Congratulations to the following students who have earned a bronze certificate this week for making 10 deposits in 2013:

**Seabrook School Banking Competition.**

As the Seabrook School Bankers have been doing such a fantastic effort on remembering your banking wallets each Wednesday an exciting competition has been launched just for Seabrook Primary School. All you have to do is keep remembering to bring your banking wallet each week and on the first week that 200 students bank in one week there will be 3 fantastic Dollarmite prizes draw from the deposits for that week:
- 1st Dollarmite backpack with Dollarmite surprises,
- 2nd Limited edition Dollarmite figurines,
- 3rd Dollarmite mouse mat & Pat key tag.

Remember you need to be in it to win it!

Seabrook Primary School already has over 130 students in the fantastic Dollarmite Treasure draw. Simply make three of more deposits at school during term 2 and you will automatically be entered into the competition. There are still 2 banking weeks before the competition closes so remember your yellow banking wallet each Wednesday to make sure that you are eligible. If you do not already have a Dollarmite just ask Mum or Dad to go to any branch of the Commonwealth Bank with their licence and your birth certificate and an account can be opened on the spot.

Thank you for supporting our School fundraising efforts and teaching your child how to save. Saving regularly is an important habit to get into, whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday.

We are hosting a CARNIVAL BOOK FAIR.

Each class will be invited to preview the books during their library session. The preview sessions are an ideal opportunity for children to share and discuss the books with their teachers and peers.

The selection of books at our Book Fair will include a wide range of quality books from the best Australian and overseas authors & illustrators.

All books are discounted.

When you or your child buys a book, our school benefits by receiving a commission (up to 35%), which we can use to improve our resources.

Thank you for supporting our School fundraising efforts and teaching your child how to save. Saving regularly is an important habit to get into, whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday.

Our book fair selling times will be:
Tuesday 11th June - Friday 14th June
3.10pm - 4.30pm each day

You, your family and friends are most welcome to share in the magic of matching children and books.
