Dear Parents,

Friday is free dress for the children who bring a gold coin donation. It is also the sausage lunch and so for children who have pre-ordered their mums and dad get a day off making lunches! Children please come to school dressed sensibly for the weather.

Thanks to everyone for their hard work and support over the term. The children have been working hard and we hope that you could see through the conference how your child has been learning. We hope you feel proud as we do.

LAST DAY OF SCHOOL FOR TERM 2 IS FRIDAY THE 28TH JUNE AT 2.30PM
Our Buddy Program, involving all students in Prep and Year 4, continues to go from strength to strength. It is a wonderful way for children in the Junior and Senior School to make connections with one another. Prep OCO and 4RM have been focusing on the Learner Profile attribute of being a ‘Communicator’, working collaboratively to develop ‘sock puppet plays’ using the App ‘sock puppets’.

Last week, the Preps were focusing on the letter Jj and the Grade 4 Buddies helped the Preps make Jack in the boxes. This is Adam with his Jack in the box.

**What do you like about buddies?**

‘I get to make a new friend’ - Jack Prep OCO
‘It’s fun having buddies come to our class; they help with our learning’ - Lachlan Prep OCO
‘I like when they read to us’ - Muskaan Prep OCO
‘I like buddies because they are very friendly’ - Ruby Prep OCO

Here are some photos of us with our Buddies.

We have had a busy time in Grade 1MC. We planted some parsley seeds during our last inquiry into how ‘The choices we make can influence our health’. These have grown so well that we recently re-planted them into a large pot, which can be seen outside our classroom door. The children have enjoyed looking after our class plants. They have taken broccoli seedlings home to grow, and we are still hopeful that our avocado pips will sprout and grow soon!

Students are currently finishing off fabulous narrative stories and publishing them ready to read to their parents at the student-lead conferences. There are some wonderful authors and illustrators in our class!
MISS OLDFIELD’S RIDE TO CONQUER CANCER!!

I’m going to do something big about cancer. This year, I am participating in The Ride to Conquer Cancer, a 2-day, 200km cycling event that raises funds for cancer research and treatment. All proceeds from the event go to the Peter MacCallum Cancer Centre, the only public hospital in Australia solely dedicated to cancer.

I will be raising funds and training hard so I can make a huge impact in the fight to conquer cancer - but I need your help.

Please visit my personal page and make a donation today:

All of the money raised is immediately invested by Peter Mac in life-saving research and care. Cancer has touched too many families and taken too many lives already. We need to take action against this disease.

There’s a fundraising recipe book in the making, which will be sold throughout the local community. If you or someone else you may know would like to sponsor this recipe book and have an advertisement included please email me: msoldfieldrideforcancer@gmail.com

Thanks for your support!

Catherine Oldfield (Prep teacher Prep OCO)

The arts are a creative expression and interpretation of the world

For the past few weeks we have been working on canvas paintings. We have been making a replica of a chosen painting. Some of the types of paintings we chose were abstract, pop art, contemporary art and fauvism.

The steps we took in the creative process was:

1. Choosing what type of art we wanted to paint on our canvas
2. Researching a painting related to the type of painting for homework
3. Sketching our painting that we chose on our canvas with care
4. Outlining it with black paint with a thin brush
5. Trying our best to get the colours we wanted by mixing different colours together
6. Finally using the right colours to paint our canvas
7. Now they look great!

This week we have started reflecting on the creative process by making a flow chart showing all the steps we took.

Football (District Grand Final):

Congratulations to the Football team for winning the District Final on Friday after playing Altona Green, who was the small school winner from their competition. We played over at Altona Green’s ground and thank you to the parents who transported the team over there and cheered them on as well. After a slow and inaccurate start in which we kicked 3 goals 8 to 2 goals at half time, our players got into gear and kicked 9 goals to 1 in the second half. Final score was 12-10-82 to 3-0-18. Well done to Alexis Ballad for being our captain and playing well against all the boys. Guy Clark also played well kicking 3 goals, Paul Tsapatolis, Hylton Lonsdale and Samson Farley also got 2 each. Ryley McKenzie, Cala Du Plessis and Brandon Hayes all got 1. Tyson Amos played another great game along with Ruu Taunoa, Brandon Robinson and Tolly Tsangas. We will now play another district after the holidays, but we don’t know who that will be yet as other districts will be playing this week or next week.

Volleyball:

ROUND 4  Point Cook  d Seabrook  20-25, 22-25

Overall positions for Volleyball:
1st  Lumen Christi - 10 points - For:207 Against:122
2nd  Point Cook - 10 points - For:197 Against:143
3rd  Seabrook - 10 points - For:189 Against:162
4th  Jamieson Way - 6 points
5th  BoardWalk - 4 points

Netball:

On Wednesday the 19th of June, girls from 6EH, 6MB and 6GF went to compete in a netball tournament. The other schools were Jamieson Way, Boardwalk, Queen of Peace, Point Cook College and Lumen Christi.

After the first few games we started to pick up rules and skills like defending, intercepts, shooting and watching our passes. Taylor and Mia worked really well in the goals by passing it around and getting our shots in. Kieran and Gypsy were really good at intercepting the ball and getting it down our end. Catherine and Shae worked really well around the circle while Ebony and Ishita worked hard in defence. Suvitar, Kara, Kaea and Saanjana did some good work during our centre passes.

We played 3 games and then 1 final against one of the Queen of Peace teams. We won 16-2 which meant overall our team came 6th. This is pretty good for girls who played netball for the first time! Thank you to Miss Hayes as we have now improved on our netball skills, she was a very big help. When we got back to school, we were tired but proud of what we have achieved for Seabrook Primary School.

6th  Seabrook
6th  QOP (C)
Grade 3s have been working on the third inquiry for this semester. The central idea for this inquiry is ‘Explorations are a response to challenges and opportunities’ and the concepts we are looking for is causation and reflection.

Grade 3RB have been enthusiastic learners and inquirers. To explore this inquiry, the grade 3s attended an excursion to the State Library of Victoria. There we attended a workshop based on the famous explorers ‘Burke and Wills’. We learnt a lot of facts about the two explorers:

- Burke took part in the expedition to cross from south to north in the 1860. (Ellie, Mia)
- The purpose of the expedition was to explore the inland of Australia and find an overland route for the telegraph line. (Aneesh)
- Wills was second in charge of the expedition and was a astronomer, and a surveyor. (Aady)
- Burke was an ex-policeman and he was hot tempered and impatient. (Vishwa, Luca)
- Burke did not survive the expedition but Wills did. (Jess)

We also got to see the artefacts from the 18th century. Some of the artefacts were fascinating. For example we saw the library dome. It is a 100 years old and so is some of the furniture used in the library.

For now we are busy planning, writing, editing and publishing our biographies about the explorers around the world. We are getting them ready so we can read them to you on the conference day.
Well done to the **155 students** that banked last week.

Congratulations to the following students who have earned a bronze certificate this week for making 10 deposits in 2013: -

---

**Seabrook School Banking 200 Deposit Competition!**

Remember to bring your yellow banking wallet each Wednesday. The first week that the Seabrook School Banking achieves 200 deposits in one week all deposits from that week will go into a draw for a chance to win 3 cool prizes.

1. Dollarmite backpack with Dollarmite surprise
2. Limited edition Dollarmite figurines,
3. Dollarmite mouse mat & Pat key tag.

---

**Remember you need to be in it to win it!**

Thank you for supporting our School fundraising efforts and teaching your child how to save. Saving regularly is an important habit to get into; whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday.

**Canteen News**

The Canteen Staff wish you a lovely break.

It is with regret that I would like to inform you all that as of the end of Term 2, I will no longer be managing the Seabrook Primary School Canteen. I have thoroughly enjoyed getting to know a lot of the Staff and Students at the school. I am looking forward to spending more time with my family and four grandchildren.

The canteen will continue to operate as normal in Term 3.

Kind regards

Sonja Wolff - Canteen Manager
