From the Principal

Dear Parents,

There is an opportunity for you to come to the school to meet your child’s teacher/s. The afternoon and early evening of Tuesday March 5th has been allocated for this event for those parents who have not yet met the teacher. The purpose of this event is for teachers to learn a little more from you about your child that will help provide a supportive learning environment. Teachers will be able to comment on how your child has settled in this term but will not give a formal report until mid-year. Our student-led conferences are proposed to run on Thursday 27 June.

This week we sent home a ‘get to know you sheet’ and parents are invited to fill this in. We use this information to help us get to know your child a little better but if you would like to make an appointment to discuss anything in particular you are welcome to do so through our online booking process. Please go to www.seabrook.vic.edu.au and use the code JHM4. Unfortunately the wrong code for online interviews was passed on to parents yesterday. We apologise for the error. Parents will receive another form with the correct code. Teachers are also happy to make time or have a phone conversation with you at another mutually agreed time.

SCHOOL COUNCIL ELECTIONS - CALL FOR NOMINATIONS

School Council advises that nominations from the parent community are now being called. Please consider that parent input on School Council is vital, therefore, please read the ‘Information For Parents’ section included in this newsletter on page 2 and give serious consideration to nominating. Positions are held for a two year term. Any parent who wishes to join the Seabrook School Council or nominate another is encouraged to collect a nomination form from the office. Closing date for nominations is Monday 7 March 5.00 p.m.

PARENT CLUB

The Seabrook Parent Club consists of volunteer parents who meet throughout the year to help raise funds for the school and run small events for children and parents. The small group is always looking for parents or family members who would like to join the group on a casual or more regular basis to conduct the necessary tasks. Everyone is welcome to join the group’s second get together for 2013 on Wednesday 27th February between 12.00 to 2.20 in the OSHClub before and after care room. Toddlers are also welcome. Please register your interest in helping out on a needs basis on seabrookhelpers@live.com.au or text 0419 306 920. Your help will be greatly appreciated.

CHESS LESSONS

Chess will be starting next Wednesday. There are still places available in the junior, senior and after school sessions. If you have booked your child into the Wednesday after school session your child will need to go to the new building (north wing) where the lessons will be conducted once dismissed from their classrooms. Please inform Endre the chess instructor where you would like your child to meet you or an appropriate adult at 4.15 at the end of the session. Please see page 4 for list of names received so far.

PERSONAL GOODS BROUGHT TO SCHOOL

It needs to be brought to the attention of students, staff and visitors that the Department of Education and Early Childhood Development does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. This includes mobile phones, calculator, toys sporting equipment, jewellery and cars parked on school premises. Our advice to parents is to strongly discourage your child from bringing anything that is valuable or precious. While we will take all the care possible we cannot be responsible for loss or damage. Thank you for your understanding.

PLAYGROUND SUPERVISION

Our staff are on yard supervision duty before school from 8.30 a.m. – 8.50 a.m., during recesses and lunchtimes and after school from 3.10 p.m. – 3.30 p.m. Please do not send your child to school prior to 8.30 a.m. as the yard is not supervised. Teachers use the time before 8.30 to prepare for the day’s lessons. It may be the case that sometimes classroom doors are not open before or after school on some days owing to the fact that the teacher may be on yard supervision at this time.

SCHOOL CROSSING

We are strongly encouraging our children and parents to use the school crossing. Safety for all is critical. The crossing supervisors have noticed parents pressing the “walk” button at the lights and crossing before the green signal is displayed. It is important that adults model for children the correct process of waiting for the display. The year prep children will be having a special session with the crossing supervisors next week about how to use the crossings safely.

SCHOOL COUNCIL FUNDRAISER

Very soon a flyer will be sent home giving families an opportunity to purchase a paving brick with the family name imprinted on it. Students in year 6 will also be given the opportunity to have a personal brick to commemorate their years at Seabrook. This will come home in March.

We hope you will support our first fundraiser. The pavers will be used around our newest building as part of our beautification project. The cost of the brick paver, a life-long reminder, is $35.00.

Have a good week.

School Council Elections 2013

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on school council?

For most school councils, there are three possible categories of membership:

- **A mandated elected Parent category** - more than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- **A mandated elected DEECD employee category** - members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- **An optional Community member category** - members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider:

- Standing for election as a member of school council.
- Encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not engaged in work, are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember:

- Ask at the school for help if you would like to stand for election and are not sure what to do.
- Consider standing for election to council this year.
- Be sure to vote in the elections.

Contact the principal for further information.
Preps have been working hard this past week and particularly enjoyed making smoothies as part of their literacy work on the sound Ss. We encourage all families to continue reading with their child every night - the book they bring home from the classroom and other favourite books from home or the library. This time reading together and talking about books makes a considerable difference to the development of your child’s reading skills as well as being a lovely time together.

Thank you to the parents for bringing their child into school on Wednesday for the literacy and numeracy interview. This is a beneficial process as teachers have time with each child to really gain an understanding of their knowledge, skills and personality.

Congratulations to the Year One students who have settled so beautifully into their new rooms and for developing good relationships with their teachers and classmates. The Year 1 teachers are conducting assessments throughout the day but on some days Mrs Collins or Mrs Grace will teach the class so that the teachers can conduct one on one interviews with each child so as to more fully understand each child’s level of development, thinking skills and approach to learning.

Thank you to the many parents who are assisting in the classroom. We truly appreciate your support.

Assistant Principal

**Literacy News – Why a Series is Useful!**

Last week I wrote about the value of children reading a series. Research into people who become lifelong readers indicate that a series of books has often been instrumental in developing a love of reading. A few recommendations-

**For children 9-12**

- **Mysterious Benedict Society**
  by Trenton Lee Stewart
  Trenton Lee Stewart's young readers’ mystery series chronicles the adventures of children who enrol at the Learning Institute for the Very Enlightened

- **Percy Jackson and the Olympians Series**
  by Rick Riordan
  Rick Riordan's blockbuster series stars a seemingly ordinary boy who discovers that he is a demigod with surprising powers.

- **Sisters Grimm Series**
  by Michael Buckley
  This popular fantasy detective series features sisters Sabrina and Daphne Grimm, who learn that their ancestors’ fairy tales are actually case files.

- **Warriors: Omen of the Stars**
  by Erin Hunter
  A direct continuation of Warriors: Power of Three, this series continues Erin Hunter’s phenomenal fantasy saga of cat clans living in the wild.

- **A Series of Unfortunate Events by Lemony Snicket**
- **Encyclopedia Brown Series by Donald J. Sobol**
- **Tales from the Odyssey by Mary Pope Osborne**
- **Alex Rider Adventures by Anthony Horowitz**
- **Books of Beginning by John Stephens**
- **Skulduggery Pleasant by Derek Landy**
- **Rowan of Rin by Emily Rodda**
- **His Dark Materials by Phillip Pullman**
- **The Chronicles of Narnia by CS Lewis**

- **Secret Series by Pseudonymous Bosch**
- **Guardians of Ga’Hoole Series by Kathryn Lasky**
- **Unabridged Classics by Various Authors**
- **Artemis Fowl by Eoin Colfer**
- **The Borrowers by Mary Norton**
- **Septimus Heap by Angie Sage**
- **Keys to the Kingdom by Garth Nix**
- **The Boxcar Children by Gertrude Chandler Warner**

*Happy reading! Ann O’Connor Assistant Principal*

**Head lice**

We have been informed by a number of parents that head lice is on the march again. We suggest that your children keep their hair tied up to avoid them spreading. Many lice do not cause an itch and are found on the hair itself. They have six legs, which end in a claw and rarely fall from the head. Eggs are laid within 1.5cm of the scalp and are firmly attached to the hair. They resemble dandruff, but can’t be brushed off. You can buy head lice lotion from the chemist.

Please check your child’s hair regularly and treat if necessary.
Our Classroom Library!

“To make our classroom library, we had to sort the books into non-fiction, fiction and fairy tales. I like to read Zac Power series 2 books and Mr Men books.” **Will Taylor 1LG**

“Our classroom library has special books like Alice in Wonderland, Monsters Inc, Little Miss and Men, Dr Seuss, Peter Pan and Little Red Riding Hood. In our classroom, we have special chair bags that have books that we can read. We have Just Right bookmarks that help us choose a Just Right book.” **Sophie Edwards 1LG**

“In our classroom library, I like chapter books like the Fairy series. We had to clean our library and we put the books into their right boxes. So we put fiction books into the fiction box, non-fiction books into the non-fiction box and fairy tales into the fairy tale box. I enjoy reading books about Elmer the elephant, the cat and the hat and Meg and Mog.” **Sana Iqbal 1LG**

**SCHOOL COMMUNITY WORKER**

Jointly with neighbouring schools we employ through federal government funding a community worker who attends our school 1.5 days per week. We are required to re-submit applications for further funding and provide feedback reports annually. We would like your feedback.

Janet Greenwood has run coffee mornings for parents, support groups for children and works individually with children in need. Please indicate on the slip on page 4 and return the slip to school if you think this service is a worthwhile avenue for parents and children at the school. Your feedback will help us peruse this program further.

**SCHOOL COMMUNITY WORKER**

*(Please fill in your suggestions and hand in to your child’s teacher to pass on to the office)*

☐ I think the community worker is worthwhile and would like to see this service continued at Seabrook Primary School.

### School Traffic Safety Tips

**School 40 km per zones**

New speed zones were introduced to roads located around schools. The school zones are in place and are working towards their aim of a reduction in road trauma for school aged children. The zones are applicable from 8.00am - 9.30am and 2.30pm - 4pm on school days and normal speeding penalties apply. If you do speed you can expect a fine and demerit points. Please take care when driving around our school and observe the 40km/h limit for the safety of all children.

**Double Parking**

Double parking is unfortunately a problem that places the lives of our young children at unnecessary risk. Double-parked vehicles are visual obstructions for young children trying to cross to the other side of the carpark. They also place children getting in or out of the car at risk, as they must venture to the middle of the road to do so. Please refrain from double parking in our school car park and use the other safer parking options available to you.

**Disabled parking**

We have a disabled parking bay reserved in the visitors’ carpark. Please do not park or stand in these bays if you do not have a disabled permit displayed on your vehicle. Even dropping your children off in these bays can be inconvenient for those people who need to use these bays. Please be considerate when around this reserved bay for the safety and convenience of others.

**Right hand turns**

A right hand turn from Point Cook Road into the visitors carpark is **prohibited**. Signage is clearly displayed on the left side of Point Cook Road.

Please take care around our school. More Traffic Tips next week. Take care and be safe.
School Banking Day Is Wednesday, Tuesday For Preps Only

All Prep students should have received school banking parent packs this week. We hope to hand out the packs to grades 1 to 6 students next week.

In these packs you will find information regarding the reward items available for 2013 (they include moneyboxes, handballs, wallets, knuckles games, torches, calculators and headphones).

Each reward item is worth 10 tokens. (A student receives a token each time they make a deposit through school banking.) Once your child has collected 10 tokens, they need to include them in their deposit wallet along with a completed coupon for their chosen reward item.

A benefit of the School Banking program is that it raises funds for our school. The school receives $5 when children make their first deposit at school and a commission on every deposit made through the School Banking program.

Please ensure all yellow wallets are handed into your child’s teacher first thing Wednesday morning, late wallets cannot be accepted. All money should be securely enclosed in the Velcro pocket and deposit slips MUST be completed. Save from as little as 5c per week.

If you have any queries regarding School Banking, please include a note in your yellow banking wallet.

Asthma Checklist

Below is a back to school checklist for children with Asthma.
If you have any further questions please ring the undersigned.

Susan Joyce - Asthma Trainer /Educator/Health Professional

Welcome to another school year. With term one approaching it is time to get your children ready for their return to school or attendance at a children’s service. While their asthma is just one of the many things to get ready, this checklist will hopefully make the process easier.

Throughout the year there are significant increases, or ‘spikes’, in asthma presentations to hospitals and emergency departments1. Approximately 1 in 10 children and adolescents in Australia have asthma, and for children and adolescents with asthma these ‘spikes’ usually occur towards the end of holiday periods as they return to school or preschool2. A significant ‘spike’ in asthma presentations and admissions to hospital, of children and adolescents experiencing severe asthma exacerbations, occurs throughout the first few weeks of February3. For this reason, we have compiled a quick checklist for parents and carers to go through to prepare their child for the school year.

Is your child ready for new school year?

☐ My child has had an annual asthma management review with their doctor and has had their Asthma Action Plan reviewed

☐ My child has up to date ambulance membership

☐ My child knows how to recognise early symptoms of asthma and knows when to seek help from staff if they experience asthma symptoms

☐ My child understands the importance of taking reliever medication when necessary and knows how to use their puffer and spacer, either independently or with assistance

☐ An updated Asthma Action Plan has been provided to my child’s school/children’s service. Even if their Asthma Action Plan has not changed from last year it is important that a letter is provided to the school/children’s service informing staff of this. It is vital that staff know what to do for your child in an asthma emergency

☐ A reliever puffer and spacer (and mask for children under 5 years old) has been provided to the school/children’s service for my child. With the change in infection control guidelines, spacers can no longer be shared between children and it is vital that each child has their own equipment

☐ I have read and understood the school/children’s services asthma policy

For more information, resources or assistance completing this checklist please contact The Asthma Foundation of Victoria on 1800 ASTHMA (278 462) or visit www.asthma.org.au

ART SHIRTS

All children require an art shirt or smock. Many of the activities are quite messy and often the paints, inks, glues etc do not wash out.

An old shirt of Mum or Dad’s does the job very well as they are usually roomy enough for the children to get on over their school uniform and allow freedom of movement while the children are working. Long sleeves are definitely preferable as this is where children often get paint on themselves. If you intend to purchase an art shirt please avoid the plastic ones as they rip very easily, are very hot in the Summer and the children find them restrictive.

Thank you for your assistance with this matter.
