From the Principal

Dear Parents

WELCOME SCHOOL COUNCIL MEMBERS
As a result of our election process here is the full list of the Seabrook School Council Members for 2013-2014.

Parent members -
Ann-Marie Lloyd (current President)  
Paul Lowes (current Vice President)  
Andrew McFarlane  
Triston Boothroyd  
Kym Ham  
Michelle Mavrou  
Kerrin Powell-Smith  
Kanagaraj Ramaddss  
Damien Di Domenico  
Anita Rea  

DEECD representatives-  
Susan Lee  
Dolores Giordimaina (current secretary)  
Ann O’Connor  
Carmen Sacco

In the May meeting positions will be spilt and office bearers will be elected.

PYP COMMUNITY EVENING
Normally about this time of year Seabrook PS hosts the PYP Community evening. All classes are open to showcase the essential elements of the Primary Years Programme and celebrate the wonderful learning in all learning areas. Due to the industrial bans this year the PYP Community Evening will be postponed to a later date.

PARENT HELP REQUIRED
Hotdog day will again be held on the last day of term 1, Thursday the 28th March. The Parent and Friends group would be grateful if anyone is available to assist, even an hour during the lunch session, in the kitchen from 9am to 1.30pm to set up and serve hot dogs to the children. Younger siblings are most welcome to attend with you. It's also a great time to meet other parents.

REMEMBER - STUDENT FREE DRESS DAY THURSDAY 28 MARCH
A gold coin donation will be collected from all children who come to school in free dress. This will be donated to State Schools Relief and will pay our sponsored child from Vietnam, Huynh Yuan Thuy, for 2013. Please ensure your child comes to school in appropriate clothing and footwear.

WALK-A-THON
We hope the children are starting to collect sponsors/donations for the walk-a-thon next term. We hope to raise a good amount of money so we can continue the plan of tree and shrub planting. In time we hope funds will enable us to build some more weather shelters near the northern wing.

A FRIENDLY REMINDER ABOUT PARKING
Our neighbours are still ringing in complaining about Seabrook PS parents who are parking across their driveways and on nature strips. Both actions are illegal and the residents will be notifying the police. To avoid a fine please park courteously.

END OF TERM 1
School breaks up on Thursday 28 at 2.30. Friday is a public holiday. Children will be dismissed from their classrooms.

COMMUNITY WORKER
Janet Greenwood, our community worker, is seeking an expression of interest from parents who might like to join her for informal coffee sessions at the school next term. Janet is with us every Friday and every second Wednesday. If you are interested in joining this group, please fill in the slip below and return to your child’s teacher or pass on to the office.

MELBOURNE DENTAL CARE TARNETT
Packages and discounts available for dental work for Seabrook staff and students available
Please go to our website www.seabrook.vic.edu.au to see further details.

COFFEE AND CHAT SESSION
I would be interested in joining the coffee group if it was held on Fridays at one of these times -

☐ 9am and 10am  ☐ 2pm to 3pm  ☐ Either times

The students in grade 1 have been investigating the wants and needs of different communities in their inquiry ‘How we organise ourselves’. We have discovered that there are urban, suburban and rural communities and they look different to each other. All communities need some of the same things like roads, hospitals or doctors, food shops and places for people to live. We like to have things such as McDonalds, toy shops and parks to play in. In the suburbs and country people live in houses.

In the cities they can live in high rise apartments. We looked on Google Earth to see what different communities look like. We saw that Melbourne and New York have lots of cars, people and really tall buildings. Point Cook has lots of houses that are not very high with gardens and trees. Pyramid Hill is in the country and doesn't have much at all except some houses and a lot of space! We are planning and building our own communities now. It is a lot of fun!

PREPS and AMAZE

On Monday and Tuesday our Prep classes attended sessions by Amaze to help the children build positive relationships. The program aims to

- develop and maintain quality relationships between individuals
- identify and celebrate differences
- improve school experience for all students
- reduce discrimination and bullying

Through this program students identify differences and similarities between themselves and peers. Students acquire knowledge through imaginary, discussions and interactive sensory activities. Attitudes and values related to social justice begin to develop.

The presenters were very impressed with the behavior, attitudes and values displayed by our Prep children. It was heartwarming to hear our children talk about friendships, being kind and caring, being open minded and tolerant. This is a credit to the families and Prep teachers in helping the children make the transition from home and preschool to school. At a school as large as Seabrook we all learn to work and socialize with people from a vast range of backgrounds and experiences and it is so gratifying to see our young children display empathy, understanding and support to others.

You should all be so very proud of your children. They have settled into school beautifully, showing good values, enthusiasm for learning and excellent social skills.

The Supporting Differences Program aims to build positive relationships between school-aged children.

The Supporting Differences Program Kit includes,

1. Interactive Sessions
2. Classroom Activities

READING CHALLENGE

The Premiers' Reading Challenge has officially started again for 2013. The challenge is supported by current and past Premiers of Victoria where students are encouraged to read a number of books from the challenge booklist by the end of August. For Prep – 2 students, the number of books is 30. Years 3 – 6 students must read 15 books. Students are welcome to read more than the required number if they wish. Books read will be entered at school and verified by class teachers until the end of August when the challenge finishes.

For further information you can go to the website www.education.vic.gov.au/prc/ or see your child's class teacher or myself. Thank you,

Kerrie O'Brien - Premiers' Reading Challenge Co-ordinator
In Grade 2RE the children have been inquiring about values. Below are some student reflections about different values.

Caring for others means looking after people. Hunter
People have different values. Skyla
I can do my best by trying. Sophie
Telling the truth is showing Integrity. Anni
When working together in a group we show co-operation. Harvey
We have to respect people from different countries. Sienna
When you go to school you need to be responsible for your belongings. Natalie

**VISITORS PASS**

Occupational Health & Safety Regulations, require any person working at Seabrook PS including Parent Helpers are required to SIGN IN - COLLECT PASS - SIGN OUT and return the Pass when leaving. If you are working in the Grade 1 area, you can sign in/out in the Grade 1 Building. For all other areas, please come to the office to collect a Pass.

Thank you for your co-operation.

**SPORTS NEWS**

**DIVISIONAL SWIMMING CHAMPIONSHIPS**

Well done to our four students who competed at the WMR Divisional Swimming Carnival at Werribee Outdoor Pool last Thursday. Anna Quinque performed extremely well in the 9/10yr Breaststroke, in which she won the Hobson’s Bay Division race. Anna will compete at the Regional event on Tuesday, competing against Bellarine, North Geelong, Wyndham, Keilor, Western Ranges, Maribyrnong and Moonee Ponds Divisions.

Jonathan Curry Hughes also performed very well in his two races, coming 3rd in Freestyle and Backstroke in the 9/10yr age group. However only the top two placed swimmers qualified for the next level. He is only 9 this year so will hopefully get another chance next year in the same age group. Kimi Widjaja was in the 11yr Breaststroke and also did well coming 4th place and Hasanayn Ashraf also came 4th in the 9/10yr boys Breaststroke. He injured himself diving in and this affected his effort, which was still good considering his injury. He had to withdraw from his other event, which was Butterfly.

**REGIONAL SWIMMING CHAMPIONSHIPS**

As mentioned above Anna competed in the WMR Regional Championships on Tuesday and competed against schools from the Bellarine, North Geelong, Wyndham, Keilor, Western Ranges, Maribyrnong and Moonee Ponds Divisions. She came 4th place in the Breaststroke heat, which qualified her for the Regional Final. In the final, Anna swallowed a mouthful of water as she dived in, which didn’t help her. She came 8th place, which is still good considering his injury. He had to withdraw from his other event, which was Butterfly.

**GRADE 4 SWIMMING**

Well done to our Grade 4 students who commenced their swimming program at Shawn’s Swim School in Hoppers Crossing. We have 61 students participating in the program and by all reports everyone did very well this week. There is another session Monday 25th March. Then they re-commence after the school holidays, on Monday April 15th, Monday April 22nd and Monday April 29th. Just a reminder to parents that if final balances haven’t been paid yet they need to be completed by next week. The office doesn’t want to be chasing money after the holidays. Thank you for assisting us with this.

**CROSS COUNTRY TRAINING**

We have commenced Cross Country training this week and any interested students are encouraged to come along and have a go. If you are in grade 3-6 or at least turning 8yrs of age during 2013. We will train next week as well and students will be encouraged to do some training on the holidays, then week 1 after the holidays will be more training and trials to see who makes it into the school team for the District competition. Good luck and hope to see many students try out.

“Get Active, Enjoy Life”- BIKE ED at Seabrook PS

ATTENTION - YEARS 2 & 3 STUDENTS

If your child is currently riding a bike and has not yet participated in a Bike Ed program at Seabrook I invite you to complete and return this expression of interest form (below). The term two program will be provided for year 2 & 3 students and will be run for one hour each week on Tuesday afternoons, commencing at the beginning of Term Two.

Year 3 students: 1.10pm to 2.00pm
Year 2 students: 2.10pm to 3.00pm.

The program’s focus will be on both riding skill development and road safety awareness. You will be advised if your child is selected for next term’s program.

Students must have a bike of the correct size, well maintained and fully roadworthy. Students must be able to ride their bike (without training wheels) for at least 25 metres. Also, an approved helmet (correctly fitted) is required. Lessons will take place within school grounds.

Regards, Paul Cockran (Bike Ed co-ordinator)

School Traffic Safety Tips

New speed zones were introduced to roads located around schools. The school zones are in place and are working towards their aim of a reduction in road trauma for school aged children. The zones are applicable from 8.00am - 9.30am and 2.30pm - 4pm on school days and normal speeding penalties apply. If you do speed you can expect a fine and demerit points. Please take care when driving around our school and observe the 40km/h limit for the safety of all children.

Double Parking

Double parking is unfortunately a problem that places the lives of our young children at unnecessary risk. Double parked vehicles are visual obstructions for young children trying to cross to the other side of the carpark. They also place children getting in or out of the car at risk, as they must venture to the middle of the road to do so. Please refrain from double parking in our school car park and use the other safer parking options available to you.

Disabled parking

We have a disabled parking bay reserved in the visitors’ carpark. Please do not park or stand in these bays if you do not have a disabled permit displayed on your vehicle. Even dropping your children off in these bays can be inconvenient for those people who need to use these bays. Please be considerate when around this reserved bay for the safety and convenience of others.

Right hand turns

A right hand turn from Point Cook Road into the visitors carpark is prohibited. Signage is clearly displayed on the left side of Point Cook Road.

Please take care around our school. More Traffic Tips next week. Take care and be safe.

INCURSION / EXCURSION / FUNDRAISING MONEY

When sending in money for incursions, excursions, fundraising etc., please send in the correct money and ensure that you have separate envelopes for each separate activity/event. We cannot accept foreign coins, as they are rejected by the bank, so therefore will be returned to you. Money is not kept in the office so we cannot provide change.

Parents need to give the correct money in a clearly marked envelope, in the mornings only, to the classroom teacher. Teachers are unable to accept money at the end of the school day as they are unable to leave money in the classroom. Cash payments are not accepted at the office.

Parents are welcome to call into the school office to collect a few school payment envelopes to leave at home for this purpose. Alternatively, please ensure that the money is in a clearly marked envelope with student's name, grade and amount and activity/event. Thank you for your co-operation.

SCHOOL BANKING - EVERY WEDNESDAY

SCHOOL BANKING IS WEDNESDAY

Well done to the 153 students who banked last week.

Does your child have a Commonwealth Bank Dollarmite account? Did you know that for every NEW child who starts banking at school, we get $5 commission? PLUS we get 5% commission on all deposits. This is a great fundraiser for our school. Just bring your deposit book in with your $ and hand it to your Teacher every Wednesday. Your deposit will be processed and your child will get their book back on Thursday or Friday.

The Student Banking program is aimed at helping students understand core financial values and money management skills. The emphasis on this program is on regular savings and not the value of each deposit so there is no minimum deposit amount, it is more of a fun and engaging activity for the students to enjoy!

DON'T HAVE A BOOK?
Call into your local Commonwealth Bank Branch and open a School Banking account – it’s simple; all you need is parent photo I.D and child’s birth certificate – you can start banking at school straight away!

If you have any questions, please feel free to contact the school office or call our School Banking Specialist

ASTHMA MANAGEMENT PLAN 2013

Dear Parent/Guardian,

If you have a child/children enrolled at Seabrook Primary School who has asthma could you please return your child's Asthma Management Plan and medication as soon as possible. Our records indicate that we have over 120 students with asthma, however I have not received the same amount of Asthma Management Plans for 2013.

Asthma Management Plans can be collected from the office or downloaded from the school website. Should you require any further information please do not hesitate to contact me at the office.
