From the Principal

Dear Parents,

CONGRATULATIONS

We are very proud of our Seabrook chess team who won the Chess Victorian Zonal Finals held at Footscray Primary School on Monday. The team members representing the school were Romeo Marinez, Steven Wang, Patrick Ma, Lim Ray and Seth Low. Romeo, Steven and Patrick tied for first place competing against 9 other schools. Congratulations to Altona Meadows and Lumen Christi Primary Schools who came second and third in the competition. The children were supported by fellow student Suhani Poddat and the children's proud parents.

UNIFORM

The up-coming holidays will be an opportunity for families to check that the children’s winter school uniform is in order ready for term 3. The children may wear the Seabrook jumper with a white, cotton, collared white long or short sleeved shirt. Girls may choose to wear trousers, our winter tunic or skirt. Children are welcome to wear warm undergarments in white. The navy sports polo top is for children in years 3-6 to be worn on days of sporting activity only. Double C Jeanery sell two types of navy jackets for winter, one light weight shower-proof jacket and the other with a warm lining. Children may wear a warm jacket to school but please no hoodies and have these garments named. Coloured t-shirts may be worn on Fridays.

WEBSITE CONFERENCES - HAVE YOU BOOKED A TIME YET?

www.schoolinterviews.com.au enter 4534H as the school code. The on-line booking system closes on Wednesday the 25th of June at 9 a.m. to make appointments for student-led-conferences. If you miss this cut-off you are welcome to contact your child’s teacher to arrange a time. Next Thursday is the conference day and you are requested to arrive in time for the appointment. The class teacher will have your child’s portfolio ready for the conference. We encourage the children to talk and show pages of interest in their portfolios showing significant learning over the semester. We hope you have booked in with the specialist teachers as well to gain an insight into the whole learning experience.

LAST DAY OF TERM

Just a reminder, next Friday is end of term. A sausage sizzle lunch is being prepared by our family and friends group for those children who have ordered them and early dismissal from classrooms will be at 2:30pm.

BLUE DAY!

On Friday 27th June, Seabrook Primary School children will be wearing something BLUE and bringing a gold coin donation in the hope that money can be raised to help provide a ground-well or water filters for people around the world who don’t have access to clean drinking water.

All proceeds will be given to the non-for-profit organisation called, ‘Waterproject.org’

Let’s make a difference and take action together!
REPORTS
Mid year reports will be sent home on Friday providing a snapshot of the development in the major learning areas over terms one and two. Just a reminder that the comments in the reports for both Mrs Comer’s art lessons and Mr Trott’s physical education lessons reflect learning during first term. The conversations at the student led conferences next week will add a further dimension to what your child is achieving at school.

WET WEATHER
Now that the wet weather is upon us it would be so helpful for the littlies and others who are attracted to puddles that parents include a spare pair of underwear and socks in the school bag. Our sick bay clothing supply is running low. If anyone has unused school clothing we would be very grateful to have them in case of these kinds of accidents.

GRADE PREPS GARDEN DRESS UP DAY WEDNESDAY 18TH JUNE
The Seabrook grounds were awash with the colours of a garden on Wednesday as the prep grades celebrated their unit of work centered on the needs of living things. The children dressed up as insects, plants and people relating to gardening and growing. They very much enjoyed the range of creative craft and food related activities. Thanks to all the parents for supporting this day with the amazing array of costumes and dress ups.

SPORT
Well done to our schools representatives - Andreas Weichhardt qualifying for the state finals, Braxton Simms, Shayla Curry-Hughes and Angelique Pitcher in the Regional Cross Country Championships last Thursday. A great effort. Paul Tsapatolis from year 6 is competing in the State Basketball trials and congratulations to Josie Erbsland as she has made the State Hockey team.

Have a great week ahead.

Sue & Staff

Nationally Consistent Collection of Data
on School Students with Disability

Our school is participating in the Nationally Consistent Collection of Data on School Students with Disability (Data Collection). This Data Collection is taking place in government, Catholic and Independent schools across Australia, and will provide valuable information about supports required for a broad group of students. This will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need.

- The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, which describe a broad range of health and learning conditions for which schools are required to provide ‘reasonable adjustments’ to support students to participate on the same basis as other students.

- The Data Collection will take place during Terms 2 and 3. No personal or identifying information about any student will be included, however, if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning the opt-out consent form. More information about the Data Collection is available on the Department of Education and Early Childhood Development website at:
  or you could contact Seabrook Primary School if you have any further questions on 9395 1758.

Premiers Reading Challenge

The Premiers Reading Challenge is well and truly underway! This is where our current Premier, Denis Napthine, (following other past Premiers) challenges all students to read the designated number of books in the given time (February – September). We have many students registered to compete the challenge and all are on their way to achieving challenge success! Well done to all students who are involved. The requirements of the challenge are: Prep–2 students need to read 30 books and students in Years 3-6 must read 15 books. Students in Prep–2 will read the books at school, usually as a whole class. Years 3-6 students will have a combination of books read at home, at school and as a class. The challenge finishes in early September so there is still plenty of time to get reading! It is not too late if you haven’t already started, especially with the school holidays fast approaching.

Students are able to enter their books read using the following website.
  http://www.education.vic.gov.au/about/events/prc/Pages/students.aspx

Teachers have given students their log in details so if your child has forgotten or lost their details, please ask them to see their teacher.

Thank you for your support in this very worthwhile program. Any questions please see your child’s class teacher or myself.

Kerrie O’Brien
Challenge Co-ordinator
Sports News

Regional Cross Country

Well done to our four students who competed at the Western Region Cross Country Championships last Thursday. There were between 50-70 competitors in each race and our students acquitted themselves very well. Andreas Weickhardt (4HT) had a great race and finished in 8th position in the 2km 10yr event with a time of 8 minutes and 6 seconds, which has qualified him for the State finals at Bundoora in July. Great effort Andreas! Braxton Simms (4HT) was in the same race and came in 35th place in 8 minutes 51, which was also a great effort with nearly 60 runners in the race. Shayla Curry-Hughes (6CP) came 43rd out of 62 runners in the 3km race for the 12yr girls in a time of 14 minutes exactly. Well done Shayla! Angelique Pitcher (4HT) was competing in the 10yr girls race, but unfortunately couldn’t finish the race as she hurt her ankle during the run and had to pull out. Good effort Angelique for giving it a go and making it this far. It was a great effort by all our students and good luck to Andreas at the State competition!!

Western Conference Basketball Trials

Well done to Paul Tsapatolis who is still involved in trials for the State Primary Basketball team. They are down to the last 60 students across the state and Paul will be trialling at Coburg over the school holidays. Good luck in these final trials. It will be great if we get two students into State teams in the one year, as Josie Erbsland has already made the State Hockey team.

Learning Time

Dear Parents,

Whilst we appreciate you visiting classrooms before and after school to support your child and show interest in their work some parents are lingering in the classroom after the music has started. This is impacting on learning time.

We need all parents (unless you are a classroom helper) to leave the classroom once the music starts. If you have any concerns that need to be discussed during learning time please come to the office and speak to an assistant principal.

We are very proud of the high achievement of our students. One of the reasons our children learn to such a high level is that we instil a respect for learning and utilise all available learning time.

Thank you for your understanding,

Ann O’Connor Assistant

EMA Applications

EMA applications are now open for period 2.
If you applied for EMA at the beginning of the year and received your payment, there is no need to re-apply. Your application will roll-over.

PLEASE DO NOT RE-APPLY!

This notice is for families that did not apply in the first half of the year:
Application Opens:  14/07/2014
Application Closes:  01/08/2014
Application Forms are at the office for collection.

Our newsletter is sponsored by those advertising within. We have no other direct links with them, and our policy is not to encourage or direct our school community to use a particular product or company. If you wish to place a small (business card size) advertisement in our school newsletter at a cost of $5 per week or a 1/4 page advertisement for $20 per week please contact.
Maureen Murphy on 9395 1758 or email murphy.mary.d@edumail.vic.gov.au
For your information

ITALIAN WORD OF THE WEEK

Each week all the grades at Seabrook Primary School will be introduced to a new Italian word/phrase to be used in the classroom, at specialists and around the school. To encourage the learning, parents and family members could also use and practise the language at home with the students. This week’s (Week beginning 16th June) word is…..

"BUON APPETITE"

Have a good meal

NO LUNCH ORDERS TAKEN on THE 27th JUNE

And lots of other items will be available

Important reminder to students

There have been a number of students who are riding their scooter or bike in the school ground. During drop off and pick up times at school, we do have many students, parents and carers walking around in the school grounds and entering or leaving classrooms. Therefore, if students are riding their bike/scooter/skateboard during these times, they may accidently hit or ride into someone, which may result in an injury or accident.

Students, who do come to school on their scooters, bikes or skateboards, are not to ride them in the school grounds at all and at any time. Once you arrive at school, you need to hop off your bike or scooter, and then take the bike to the nearest bike rack or the scooter/skateboard to your classroom.

Thank you

The school is selling NAIDOC stationary packs for $2.50. If you would like to purchase a pack come to room 19 (5RR).

The money raised goes to help the Indigenous community. Thank you.

The school is celebrating NAIDOC week 2014, serving country – centenary & beyond.

The canteen is open during recess and lunch times.

NO LUNCH ORDERS TAKEN on THE 27th JUNE

Thank you,
Mrs Linda Barakat
We are pleased to be running student led conferences on Thursday June 26. Teachers have spent considerable time and effort writing very detailed and descriptive reports outlining what the children have achieved and what their future learning goals will be. Together with the students comprehensive learning portfolios have been collated.

The learning conferences are a time when children can clearly describe their goals and achievements from Semester 1 and discuss with their parents and teacher their goals for Semester 2.

Advantages of student led conferences include:

- Greater accountability by students for their own learning
- Increased pride in achievement among students
- Increased confidence by students
- Increased learning independence by students
- More positive student teacher relationships
- Increased parental participation
- Increased communication with parents resulting in a deeper understanding and confidence in what happens in school

Each year level and class structures the conferences according to the needs and developmental level of the children. However, in most rooms you can expect to see students sharing their portfolios with their parents, several families in the room at once, a teacher talking to students and families and moving around, children showing their parents around the room discussing displays and work, sharing games, learning activities or computer learning. We expect parents will be in the classroom for 15-20 minutes and that each child will have the opportunity to fully discuss their portfolio and learning. Teachers and parents may spend a few minutes discussing reports but we believe the reports are comprehensive and informative and that the focus of the student led conference is for the child to discuss their learning.

As well as visiting the classrooms you may wish to make a booking to see a specialist teacher. For some children this is a real highlight of their learning- going to the gym to demonstrate a physical skill, visit the art room to share their creativity or going the Italian room to reveal their flair with Italian. Try to make the time to visit our specialist teachers.

Student led conferences are an important and valuable part of the rich learning that occurs at Seabrook. I urge you make the most of this opportunity. Please give constructive feedback to your child- teachers may have sentences starters, questions or prompts to help facilitate the discussion.

Visit www.schoolinterviews.com.au enter 4534H as the school event code. Remember you must bring your child to the conference.

We look forward to a most rewarding and positive exchange about your child’s learning journey.

Ann O'Connor
Assistant Principal

No school on 26th June
ARE YOU EXCITED FOR THE SCHOOL HOLIDAYS?!
SO ARE WE!

At Seabrook OSHClub we have themed days packed full of exciting activities, competitions and FUN!
We are going on two excursions, but they book out fast, so HURRY!
We also have several incursions over the two weeks so go online and have a look, or drop by and have a chat with us J

**Program Information**

**OSHC Program Phone:** 0411 302 879  
**Coordinators:** Katie and Amanda  
**OSHClub Head Office:** 03 85649000

All families must be enrolled to attend the program, remember this is free!  
Please create an account online at [www.oshclub.com.au](http://www.oshclub.com.au) where all bookings and cancellations can also be managed via your online account!
Remember when you believed in anything and everything?

Researchers from the University of Western Australia are investigating children’s ability to detect and avoid potentially harmful social interactions, such as being easily fooled or tricked into doing something. We are looking to see how this develops in children, and when children outgrow this vulnerability.

We are looking for parents of Kindergarten – Year 6 children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to:

http://tinyurl.com/childsvq

Or for more information please contact Rebecca Seward at (08) 6488 4652

Please note: This is an ongoing study so if you have previously completed the questionnaires we kindly ask that you do not complete them again.

Limited places are available for 2015. Further information can be found at our website www.msj.vic.edu.au or by contacting the College Registrar at registrar@msj.vic.edu.au.

Sustainability at home workshop series

18 JUNE - 16 JULY

Hobsons Bay City Council is hosting a series of workshops for residents which will provide lots of information, ideas and advice for living more sustainably at home. Everyone is welcome to attend any or all of the following workshops:

Save Energy, Save Money
Wednesday, 16 June, 6.30pm to 7pm
Altona Meadows Library and Learning Centre, Central Square Shopping Centre
Find out where your home is likely to be using the most energy and how to reduce this. Bring along a recent electricity bill and find out what it’s telling you about your household’s energy use. You’ll also learn how to use a Reemeter to check where the energy in your home is being used.

Water Wise at Home
Wednesday, 30 June, 6.30pm to 7pm
Laverton Community Hub, 95-105 Railway Avenue
Find out how to reduce the amount of water used in your home, inside and out. Learn some basic: OH, plumbing, including how to find leaks and how to install sensors and low flow shower heads. You can also bring along your old showerhead and a water fall to receive a replacement AAA sized showerhead free of charge.

Composting and Worm Farming
Wednesday, 2 July, 6.30pm to 8pm
Altona North Library, 60a Mills Street
Turn your household waste into garden gold! Tips, tricks and fees for gardeners of all levels and experience, including a look at the pros and cons of different systems for recycling organic waste to find one that suits your home best.

Shopping with a Consciousness*
Saturday, 12 July, 10am to 12.30pm
Lonsdale Joel Community Centre, 5 Bargwood Street, Altona
Learn more about the true cost of the products we buy and what the "fast foods" are for our health, our communities and our planet. Explore practical ways to help make more ethical choices and lighten your impact with a guided tour of Altona Cove and then enjoy a light lunch with our well-chosen purveyors.

*Places are limited. Bookings essential.

Ethical Fashion
Wednesday, 16 July 2014, 4.30pm to 6pm
Williamstown Library, 104 Ferguson Street
Find out about the social and environmental impacts of the clothing and footwear choices we make and what’s being done in Australia to help make this industry more ethical and sustainable. You’ll also look at what we, as consumers, can do to support ethical suppliers.

---

**Prescribed Medication Authority Forms**

Dear Parent/Guardian,

Please be advised that if your child is required to take prescribed medication whilst at school a Medical Authority Form can be found on our Skoolbag App and the school website. This form must be filled out and signed off by your doctor before we can administer the prescribed drug.

Please Note: wherever possible, medication should be given outside the school hours, e.g. if medication is required three times a day it is generally not required to be taken at school: it can be taken before and after school and before bed.

If medication is to be administered at school the medication must be in the original packaging.

Should you have any questions/queries please do not hesitate to contact me at the front office.

Thank you for your support

Susa Joyce

---

**INCURSION / EXCURSION / FUNDRAISING MONEY**

When sending in money for incursions, excursions, fundraising etc., please send in the correct money and ensure that you have separate envelopes for each separate activity/event. We cannot accept foreign coins, as they are rejected by the bank, so therefore will be returned to you. Please check you have included Australian currency only. Money is not kept in the office so we cannot provide change.

Parents need to give the correct money in a clearly marked envelope, in the mornings only, to the classroom teacher. Teachers are unable to accept money at the end of the school day as they are unable to leave money in the classroom. Cash payments are not accepted at the office. Parents are welcome to call into the school office to collect a few school payment envelopes to leave at home for this purpose. Alternatively, please ensure that the money is in a clearly marked envelope with student’s name, grade and amount and activity/event.

Thank you for your co-operation.

Yvonne Golomb Administration

---

June is report month in schools throughout Australia. We’ve produced some very special resources to make sure both teachers and parents maximise this important period. As a special June BONUS I’ve recorded a 5 minute video especially for parents designed to help them take a positive, realistic view of their child’s report. It will help make sure parents focus on the right things, taking a positive view of their children’s reports. Reading your child’s report video is on the Parentingideas TV Youtube channel. Send the link home to parents, or place it on your school’s website or Facebook page. http://youtu.be/YM2Lrm19_A0
For your information

Keep up to date with all that is happening at Seabrook Primary by downloading the skoolbag App

Type ‘Seabrook Primary School’ into ITunes (iphone section) or Google Play

School Banking

No School Banking Wednesday 25th June 2014.

Well done to the 158 students that banked last week.

Congratulations to the following students that have received their bronze certificate:
Matthew Leung, Abigail Hall, Addison Crane, Alexandra Gliguroski, Alfred Yap, Jasmine Quinton, Tyljinder Singh, Holly Wedding and Muskaan Handa.

The term two competition is now drawing to an end. A fantastic effort for the students that have been entered and we will keep our fingers crossed that one of our Seabrook Primary students will be a winner. The winners will be notified in writing and by phone within two (2) business days of the draw (15/07/214).

Do you have a school banking question or query?
