Dear Parents and Students,

The District Swimming sports are coming up at the end of February and to give as many students as possible the opportunity to participate and represent Seabrook, a training group will commence at the Laverton Pool (Jennings St. Laverton). This will start on Thursday the 29th January from 7.00-8.00 a.m (The first day back at school for 2015).

We have been very successful at the swimming sports over many years, mainly due to the hard work of our squad group leading up to the day. So we invite all students from grade 3 to 6 (who are 9-12+ or turning 9 years old by the 31st of December 2015, which means you can be 8 when swimming is on) to come along and have a swim, work on your fitness, technique or just have some fun. Last year was a great success with more than 30-40 children coming most mornings. I hope to see many of those children returning this year as well as some new students trying out and having fun.

Training will then be on the following days at Laverton Pool with Mrs. Joyce (qualified coach): Monday Feb 2nd, Wednesday Feb 4th, Monday Feb 9th & Wednesday Feb 11th. This will be our final training session at Laverton.

During the week of February 16th-20th we will have our final training and Trials at Werribee Outdoor Pool Watton St. Werribee), which is where the sports carnival will held on Tuesday 24th February (9.30am-2pm approx.).

We will let parents know about these arrangements during our five sessions at Laverton. Parents will need to drop off their children at the pool and then pick them up afterwards or make appropriate arrangements with other parents. If anyone has problems with transport please come and see Mrs. Joyce or Mr. Ganley or contact the school and we’ll try and arrange something for you.

The cost each morning will be $3 for entry to the pool (Laverton), which can be paid at the counter on arrival. The children will then have breakfast provided back at school in the Gym, which will also allow them to get to know each other socially. It doesn’t matter if you can’t make all the sessions, just come to the ones you can. It won’t reduce your chances of making the final team when we have trials (especially if you are already training in the mornings or afternoon in a Squad or Club).

If any parents would like to assist in serving breakfast, please let me know at the pool on the first Thursday. It would be greatly appreciated if we could have a couple each morning.

Thanks
