From the Principal

Dear Parents,

Hopefully families were able to enjoy a long weekend. A rest and a short break from routine supports both our general wellbeing and attitude.

SCHOOL SAFETY

Teachers regularly remind children to play away from the school boundary and fence line, to go straight home after school and to refrain from riding bikes and scooters in the playgrounds. It would be terrific if parents could also reinforce these safety practices.

EARLY RELEASE FROM SCHOOL

This is a reminder to parents and carers that when requesting your child/children to leave school early an early release form is required to be signed at the office before collection. This form is then presented to the class teacher and the attendance roll is marked accordingly. Thank you.

DATES TO REMEMBER

Tuesday 17th March - whole school evacuation drill
Thursday 19th March - Seabrook’s annual PYP night 5pm - 8pm.
Friday 27th March - Hot dog day and end of term 1 early finish 2:30 pm.

TERM 2 COMMENCES WITH

Monday 13th April Curriculum day – no school day
Start of term 2 Tuesday April 14th for Seabrook students
Seabrook school photos Thursday April 16th
Whole school fundraiser event – Walk-a-thon Tuesday 21st April

Past Seabrook student Paul T was one of many students around the state to receive a Sporting Blue Award. His efforts in basketball have been recognized. A proud Mr Ganley attended the ceremony supporting Paul and his family. We wish him well in the future.

Have a great week.

All editions of our newsletters have the students first name and their initial of their surname, this is to provide personal security on the web.

Year 4  7:00pm – Concepts
Year 5  7:30pm – Transdisciplinary Skills
Year 6  7:30pm – Leadership in Action

Other Events
- Art rooms will be open for gallery viewing.
- Italian mask parade for Carnevale in the courtyard at 6:30.
- BBQ in the courtyard.
- Games on the Oval.
Rationale
The School Council has developed the Seabrook Student Dress Code and the School Council has mandated that the school uniform is compulsory for all students. The Seabrook School Council supports the wearing of a compulsory school uniform because it:
- Displays pride in the school
- Looks great
- Discourages peer group pressure and
- Is generally more economical
- Some items are unisex
- Competition in dress

Student Dress Code
Seabrook Primary School has compulsory school uniform which is available at Double C Jeanery, Aviation Road, Laverton. All items meet the Department of Education and Early Childhood Development’s Student Dress Code requirements for both sexes apart from the winter tunic/skirt, and skirt/summer dress.

Note: Children should be neat, clean and tidy at all times.

SPORTS WEAR
PREP – 2 HOUSE T-SHIRT Optional
Grades Prep – 2 do not have an optional sports uniform as their timetabled sports activities are similar to those of general play activities during lunch and recess.
House team coloured t-shirts may be worn on Fridays and house-team events/days. House team t-shirts are available from the second hand uniform shop or Double C Jeanery. Children are placed into a house team on enrolment. (Siblings are placed in the same house team).
OPTIONAL FOR STUDENTS IN YEAR 3 TO 6 ONLY: Optional Sports Uniform

The garments listed below are optional for grades 3 – 6 ONLY and may be worn on Fridays and days of timetabled physical education lessons, walk-a-thons, games days / sports carnival interschool events such as interschool sport, cross country races, swimming carnivals, athletics events, and other sporting events as outlined by the school. Items for boys and girls include:

- Navy Seabrook Rugby top
- Seabrook maroon short sleeve polo top
- Seabrook navy track pants (2 styles with maroon trim, existing items)
- Navy ‘American’ shorts/skort (new item)
- Runners, colour optional
- Socks, white or navy

House team t-shirts. Jade, orange, cobalt and purple. These can be worn each Friday and for house team events. (Available from office.) Children are placed into a house team on enrolment. (Siblings are placed into same house teams.)

Additional Items

Skin allergies

Double C Jeanery offers the Seabrook woollen jumper (with logo) with optional cotton sleeve inserts for children who suffer from skin allergies or itching. These can be ordered from the store.

Accessories

If children are wearing accessories we request that they are in school colours.

- Navy tights, gloves, scarves may be worn.
- Navy Seabrook headbands, navy scarves and navy Seabrook beanies are optional accessories and available from office.

Wet/cold Weather

Children may wear a navy coat or jacket from home for warmth or protection from the cold. (Please ensure the garments are clearly named). An approved navy jacket and a spray jacket are available from purchase form Double C Jeanery (see price list).

Jewellery

For safety reasons, no item of jewellery will be worn to school except for studs worn in pierced ears or when a letter is received from parents. (Some exemptions maybe allowed, see below).

Hats

School navy hats (bucket style, legionnaire, wide brim) will be worn first and fourth terms and on days of high UV ratings. Children without hats must play under sheltered areas. Hats are available from office or Double C Jeanery.

School Bag

- There is a Seabrook school bag available that comes with a four year warranty and is osteopath and chiropractic approved. Please enquire at the school office. Style and type of bag is personal choice.

School Council Recommendations

- Long hair on boys and girls should be tied back at all times for health and safety reasons. Hair accessories should reflect the school's colour of navy and maroon (exceptions are Fridays and house-team event days where house team colours are acceptable).
- A spare set of clothes, including underwear and socks may be left at school in case of wet weather or accidents.
- Sunscreen lotion is applied before school, during hot weather and days of high UV ratings. Clear or skin tone zinc cream may be worn. Stick or roll-on sunscreen may be kept in your child’s bag to apply during the day.
- All garments have child's name clearly marked. Names to be marked on shoes. Items of uniform should be renamed after frequent washes.
- Parents experiencing financial difficulties need to approach the Principal for assistance.
- Only students in school uniform will be permitted to represent the school for excursions and sporting events.
- Students are required to wear uniform everyday so parents are expected to purchase sufficient uniform items to ensure this.

Exemptions

Exceptions from the Student Dress Code may occur for special occasions, such as dress up days, casual dress days and camps. Some exemptions from the student dress code may be provided on the following grounds: religious beliefs, ethnic or cultural grounds, students with disabilities, health conditions or economic hardships. The School Council recommends parents utilise the services of the Seabrook Second Hand Uniform shop. Request for exemption must be put in writing to the Principal where strict confidentiality will be ensured.

ENFORCEMENT

Students are expected to attend school wearing the full uniform. If students are not in uniform an explanatory note from home must be forwarded to the school. Students who are out of uniform may incur the following consequences:

- The student may be excluded from an excursion or special event
- The student may be asked to wear a clean garment from the sick bay collection
We read the book ‘How to be a baby by me the big sister’

and worked independently to show the differences between a baby and us!
Our class has been exploring measurement of length in class. We made some fabulous sausage dogs.

First we compared our sausage dogs to sort them from the shortest to the longest. After this we estimated how many icypole sticks or matchsticks we might need to use to measure how long our dogs are. Finally we checked the actual measurement of our dogs using the icypole sticks or matchsticks to see if we were right. Everyone did a terrific job and had lots of fun.

We love maths in our grade!
**2GG Pizza Fractions**

The children in 2GG demonstrated a variety of PYP dispositions and demonstrated they were *thinkers* and *inquirers* in a real life fraction learning experience. The students designed their favourite pizza with topping. They then applied their knowledge of fraction parts and used fraction language such as halves, quarters and whole parts to break their pizza into equal segments. Below are some of the students thinking from the activity.

*I used the *green* thinking hat when I was decorating my pizza.* (Aadvi)

*I used the *blue* thinking hat when I was thinking about what fraction part to break up my pizza.* (Layelle)

*I used the *green* creativity hat because I used lots of detail when I made my pizza.* (Kaylee)

*I used the *white* hat because I needed lots of information to break the pizza into fraction parts.* (Annie)

The children thoroughly enjoyed the hands on learning experience and real life connection while completing this activity.
As part of ‘Learning to Learn’ for the first term of 2015, grade 4KM investigated what is good for our brain and what is bad for our brain. Below are some statements.

If you eat too much greasy food it is bad for your brain.  (Hunter)
I found out that the left side of the brain controls the right side of your body.  (Sophie)
The brain is one of the most important organs in your body.  If you don’t wear a helmet while you are riding a bike and you have an accident you might damage your brain.  (Seth)
The brain is pink, wrinkly and it remembers things.  (Dave)
I now know that the brain is very special because it controls your body and what you do.  (Alice)
A good thing is that the skull protects your brain.  (Shiraz)
For good brain health I now know that you should have a balance between being inside and outside.  (Daniel S)
I now know that the brain keeps you alive.  (Antonia)
I now know that the brain is protected by a substance called goo.  (Jewoseydi)
Smoking can affect your brain badly.  (Noah)
You have to have enough sleep for your brain to work properly.  (Levi)
You need water and exercise for your brain to work properly.  (Travis)
Smoking, too much junk food and getting told off too much is bad brain juice.  (Athena)
A good fact about the brain is drinking water and staying hydrated.  (Adele)
A good fact about the brain is being balanced and eating a healthy diet.  (Joshua)
I now know that the right side of the brain controls the left side of the body and the left side of the brain controls the right side of the body.  (Eesha)
Watching too much T.V. is bad for your brain.  (Abbey)
The skull protects the brain because the brain is like mushy pink jelly.  (Breanna)
A good thing for your brain is that it needs lots of water to make it happy.  (Jemima)
Relaxing and exercising every day is good for the brain.  (Daniel L)
A good thing for the brain is eating healthy food such as: fruits and vegetables.  (Corey)
I now know that a headache is caused when not enough blood and air gets to your brain.  (Coby)
To make good brain juice you don’t have late nights and don’t eat too much junk food.  (Evan)
Because your brain likes to wiggle around there is goo to protect it from bumping into the skull.  (Ela)
I now know that there are different parts to the brain that control different body parts.  (Imogen)
Don’t eat too much greasy food; it is not good for your brain.  (Bojan)
Don’t eat too much McDonalds because is bad for your brain and learning.  (Anthon)
A healthy sandwich is good for your brain.  (Oliver)
District Sports Trials

Well done to all the students who have been trialling over the last week in Netball, Soccer, Basketball, Football and Tennis. Quite a few students have also made it to the Divisional Level: Tess M and Clare S in Netball, Francesco G, Meriam A and Delta B in Soccer, Cody S and George P in Football, Tra-Mi G in Basketball and Chris W, Joshua G and Yee Suan L in Tennis. We wish them well at the Divisional Trials and Competitions.

Also good luck to our 26 swimmers on Thursday at the Divisional Competition at Werribee Pool.

SSV Sports Awards

Congratulations to Paul T who received a Sporting Blue Award at the Victorian School Sports awards ceremony at the MCG yesterday. Paul now attends Mariibyrnong College, but received his award for his efforts in being the top scorer for Victoria at the National Basketball Tournament last year. The Education Minister James Merlino was there as were many sporting stars such as David Rodan (AFL), Nicole Livingston (Swimming) and David Crawshay (Gold Medal winner in Rowing from Beijing Olympics). A great achievement for Paul and his family.

Premier’s Active April

Dear Parents/Guardian’s,

Active April is coming up commencing whilst students are on school holidays and we are encouraging families to register themselves during March and get more active during the month of April. You can find out how to register at www.activeapril.vic.gov.au/schools. You can then monitor how you are doing and print off certificates when you achieve a certain number of days in April. This is a great chance to get active with your family. Going for a walk with the dog, family bike ride or playing down at the local park are great ideas for the whole family to get involved, especially as the first couple of weeks involve the Holidays.

All participants will receive giveaways including 15% discount on purchases from Sportsmart, 10 Free passes to a YMCA or participating local government facility, a 2 for 1 ticket offer to Sea Life at the Melbourne Aquarium and be eligible for other prizes including 4 tickets to the 2015 AFL Grand Final.

Written by Mr Blair Ganley
Schoolpix will be visiting on Thursday the 16th April more details to come in the following weeks

Caltex is supporting Seabrook
This is a promotion we are doing with Caltex (next door to the school) as part of our fundraising efforts.
This pamphlet can be taken into the Point Cook Road service station to get 1% off fuel and 5% of store items, as many times as you like before expiry at the end of March 2015.
The discount on your purchases of fuel and goods will go to our school.
We have the ability to earn $1000 for the school by the end of this month, however an extensions is likely.
We hope you will take advantage of this offer. We have been told your Seabrook Skoolbag App can also be shown at time of purchase.
Thank you for supporting our local business and in turn our school.

Please retain your receipts and place them in the green Caltex box in the office area.
Thank-you
HOST FAMILIES NEEDED IN JUNE - JULY 2015
EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS
IMPROVE YOUR LANGUAGE STUDIES AT HOME

Student Exchange Australia New Zealand is a not-for-profit organisation that is registered with all state and territory Departments of Education around Australia and with the Ministry of Education in NZ. We are the first and only secondary exchange organisation in Australia and New Zealand to be certified to ISO 9001 (Quality Management System) and we ensure the highest standards of care and support to our participants.

In June - July 2015 we will be receiving exchange students from Austria, Brazil, Canada, Denmark, France, Germany, Italy, Norway, Switzerland and Sweden.

Our new arrivals will live with a host family and attend a local school for 2 or 10 months. As we plan for their arrival, we are looking for host families across Australia to welcome these students into their home. Our students originate from a variety of countries. Below is a sample of students who will be arriving.

Davide, aged 16 from Northern Italy enjoys playing rugby, the piano and playing computer games. Whilst in Australia Davide would like to be involved in Karate. He speaks both Italian and Spanish and is looking forward to visiting new places and meeting new people on his exchange. At home Davide helps out with several chores including making beds, doing the dishes and laundry, taking out the trash, vacuuming and sometimes picking his brother up from school. Davide describes himself as stubborn, emphatic, geeky, strong, sharp and honest. Seeing the world from another point of view is something Davide is looking forward to.

For French student Anouchka aged 16, dance and theatre are a large part of her life. She also likes to spend time with her friends, playing tennis and reading. Anouchka helps out around the home by cleaning and dressing the table, in addition to taking care of her bedroom. Not only does Anouchka enjoy learning about the English language, but she also speaks Spanish. Anouchka describes herself as kind, friendly, outgoing and hardworking.

Edoardo, (Edo) aged 17, enjoys studying, snowboarding, open air activities and playing with his younger sister. Edo is currently a member of the Italian Junior Snowboard team. Whilst in Australia, he hopes to improve upon his English, meet new friends and learn a new culture. He would also like to learn to surf and learn about the country where is Grandmother’s family originate from. He describes himself as sympathetic, curious, open minded and polite.

Maximilian, aged 16, is the eldest of three children. He enjoys running and meeting his friends, visiting the movies, ice skating (during winter) and is a passionate soccer fan. Maximilian describes himself as friendly, restrained and open minded. He has visited China on exchange, which was organised through school.

Karen, aged 17, from Norway enjoys playing soccer, horse riding and gymnastics. Karen describes herself as social, caring and an open person. She hopes that her student exchange program in Australia will allow her to experience something new. Karen also hopes to try surfing. At home Karen is responsible for cleaning her room and taking the family dog for a walk. Not only does she enjoy learning about the English language, but she also speaks Norwegian and French.

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. You might even make a friend for life!

"Just give it a go, the benefits will surprise you. I highly recommend it", mentions Australian Host Dad Andrew, from the Stuart family. "Not only do your children benefit, but the benefits exist for the parents too."

The Stuart family were thrilled to have Danish student Simon stay with them for 8 months. As commented by host mum Victoria, "it has been a fantastic experience. Simon has been an awesome role model to our two young children, he has been like an older brother to them." Victoria continues, "the experience has benefitted us too, as it has allowed us to have greater free time and flexibility as a family. I was very impressed with Simon, as within the first couple of days he was here, he asked what should his chores be?"

Host Dad, Andrew continues, "we are so lucky to have Simon come stay with us. He is a fantastic student, easy going and not very demanding. He has fitted into the Australian way of life so easy. He even obtained his Bronze Medallion. We are so proud of Simon."

The Stuart family talk about their hosting experience further and discuss the ups and downs of hosting, why they hosted and the benefits of being a volunteer host parent.

School Banking

School Banking - Wednesday
Well done to the 184 students who banked last week.

Blast off to Disneyland with School Banking in 2015
In a School Banking first, we're launching a new competition for one lucky School Banker to win a family trip to Disneyland, California. This is an exciting reward to be won by one of our Super School Savers. Students who make a minimum of 25 deposits in 2015 through School Banking will be automatically entered into the draw. This is a great way to motivate students during the whole year to stay on their savings journey and reach their savings goals. View full terms and conditions at commbank.com.au/grandprize

Saving regularly is an important habit to get into, whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday. Thank you for supporting the School Banking Program.

**Prescribed Medication Authority Form**

Dear Parent/Guardian,

Please be advised that if your child is required to take prescribed medication whilst at school a **MEDICAL AUTHORITY FORM** can be found on our Skoolbag App and the school website. This form should be filled out and signed off by your doctor before we can administer the prescribed drug.

Please Note: wherever possible, medication should be given outside the school hours, e.g. if medication is required three times a day it is generally not required to be taken at school: it can be taken before and after school and before bed.

If medication is to be administered at school the medication **must** be in the original packaging.

Should you have any questions/queries contact the Leadership Team.

Thank you for your support

Principal Susan Lee
