From the Principal

Dear Parents / Guardians

Welcome back to everyone after the term 3 break. Welcome also to our new children and families who have joined Seabrook this week. We hope you will settle in easily. Seabrook is a very friendly and open-minded community.

TERM 4 is here and this is always a busy term as we complete one school year and plan for the new school year. Staff will be working on classes for next year and we require notification if your family will not be attending Seabrook after 2015. It is important to get our student numbers right so that classes created can be balanced. Please let us know if there are any special considerations relating to your child.

HATS
Due to the higher UV rays at this time of year all children must wear their hats when outdoors. This falls under our Sun Smart policy.

CHESS FESTIVAL
Seabrook Primary School is pleased to announce we are hosting a global chess competition at our school later this month, the first school in Australia to register. See this site for more details http://globalchessfestival

The Chess Grand Master Judit Polgar has launched the Global Chess Festival in Europe, aiming to make chess more popular across the 5 continents. Ms Polgar has given Seabrook a hearty welcome.

Holding the Global Chess Festival at Seabrook Primary School will enable our students between years 2 to 6 the opportunity to undertake a competency challenge using the strategic moves used by the famous chess player Paul Morphy in his world winning game.

At the end of the school day students from neighbouring primary schools will be invited to join the Judit Polgar Rapid Chess Team Competition consisting of 5 rounds competing for medals. This is an exciting opportunity to highlight the educational advantages of learning to play chess. Please browse through these articles outlining the value of chess in improving students’ overall performance.

SEABROOK’S COOK BOOK
For a fundraiser this term the fund raising committee is compiling recipes for an international cook book. We are hoping to get a large variety of recipes from around the world recipes. Please seek out and submit a few of your family’s favourite recipes within the week.

We are hoping to sell the book in time for Christmas, but they will make great gifts for any time of the year for friends and family.

Here is the address
www.publishedauthors.com.au

Please get your recipes in this week.

HOT DOG DAY
Special thanks to the parents and friends who assisted with the ordering, preparation and serving of hot dogs and drinks last term. The children always enjoy this day and this couldn’t happen without your valued time.

Have a great week ahead.
SOCIAL NETWORKING

Respecting our laws, and rights of all individuals is a very important life skill we all must learn. Children's brains don't fully develop until they are about 25, and in particular the decision making and rational thinking zones. Children and young adults will often do things without thinking, and not care (or think) about the ramifications. Over time most will learn to think more rationally and become responsible young adults.

Social Networking unfortunately, is an area that if bad decisions or negative comments are made when we are young, can mould our future in a negative way. Because our lives are now so public, bad decisions made on social networking sites earlier in life, may affect future job interviews, friendships, university acceptances, etc. Social Networking websites all own the rights to our digital content, and our (their) pictures, comments and even videos posted online, can take many years to change a Digital Footprint of someone. A negative Digital Footprint is almost impossible to correct, so that is why we must learn at a very young age to consider carefully everything that we (our children) post, put online, or send from smart devices.

1. Obey the age restrictions of software, and social networking sites, and NEVER allow underage children access if under age. The rules are there for a very good reason.

2. Teach children to THINK very carefully about what pictures, videos and comments they will eventually post online to sites like YouTube, Facebook, Twitter, Skype, Tumblr, Pinterest, Vine, Reddit, Linkedin, Instagram, etc.

3. Explain that a Digital Footprint is generally forever, and may affect their future dreams, because employers, universities and many other organizations are now all checking people's digital profiles, and behaviors online, before accepting positions. Their future direction starts at a very young age.

4. Adults should NEVER share passwords, auto save passwords, or stay logged into social networking and other data sensitive sites.

5. Explain where your children can get help should they ever find themselves in trouble. A calm, and open minded parent should always be the first point of call.

6. Know what your children are doing. Regularly check, ask, and encourage positive use, and apply your already set consequences when children don't do the correct thing, and calmly explain the ramifications of what could have happened.

Educate: THINK BEFORE YOU CLICK

Thank you, and lets all help make an eSmart community.
As part of the Seabrook Camping program, the children in Prep had their extended stay at school on the 16th of September. They had their afternoon snack and moved through some rotational activities (drama, music, dance and art) that linked in with their Unit of Inquiry. Children thoroughly enjoyed the activities and had lots of fun.

We would like to thank the prep team for the well-organised and fun evening for the children. A special thank you to all our staff for their support during the extended stay. Thank you parents for supporting this event.

Sundram Moodley  
Acting Assistant Principal
In the last three weeks of term 3, I worked on a special project in Prep ML, JG, CP, AS. We expanded on the unit of inquiry “How we express ourselves creatively” by using the music language. The extraordinary thing is that we have learnt the basics of expressing a rhythmic pattern in Italian.

We started by learning how animals sound in Italian through the song “Il verso degli animali”. You can find it at this link (https://www.youtube.com/watch?v=uenTcV_riJ4) The students created their own cards of animals and used their pictures to compose a short pattern of animal sounds. Then they performed it with a partner.

At this point, we read a story (yes, all in Italian) to introduce the students to formal music notation…just a little bit more child-friendly!

Il Signor TA Il Signor Zitto

With the help of the story and some flash cards, we started creating short rhythmic patterns and perform them in groups.

At the end of this project, all the students composed a rhythmic piece that we called La mia musica (My music).

I’m very proud of my little students’ compositions. They also performed their patterns. Some children performed it as a solo, where some others as a two-voice composition working with a partner. I have a few videos of their wonderful work. Feel free to join us in one of our sessions on Tuesdays, if you want to see them in action!

The Grampians adventure 2015!
In the second last week of Term Three 2015, Grade 4 student went to Halls Gap, The Grampians for a three day camp that was related to our inquiry into indigenous cultures. Below are reflections from students in 4KM.

I am most proud of hitting the target in archery. Daniel S

I am most proud of when I was listening to the Aboriginal presenters at Brambuk retelling a Dreamtime story. Dave

I was a risk-taker when I tried archery. Jemima

I was a risk-taker when I climbed the rocks at the waterfall. Travis

I was a risk-taker when I tried new food for dinner and the camp cooking of the chocolate bananas and the baked apples. Corey

I really liked the way I participated in all of the activities. The best one was archery because it was challenging. Coby.

I got a lot better at learning more about indigenous cultures and knowing more about the history of Australia from completing activities at the camp. Antonia

I am most proud of how I was committed when doing different activities that I had never done before. Athena

I was sick and didn’t go to the camp, but I was wondering what activities there were. Joshua

I am most proud of how I was being a risk-taker at trying the new activities. My favourite activity was hut building because now I know how the Aboriginal people used to build them. Adele

I got a lot better at practising my archery, I found out that if you are right handed you use your left hand to hold the bow. Anthon

I really like the way I used my imagination and thought back to what I have done in the previous years to build a really good hut, as one of the activities at the camp. Noah

I really liked the way we cooperated together when we were building the hut. I think we could improve it by letting more people have their say and incorporating these ideas to improve the design. Imogen

I was a risk-taker when I did the archery because I had never done it before and it was hard to pull the string back on the bow and keep the arrow pointed straight at the same time. Alice.

I really liked the way I tried my best to get the arrow to hit the target for archery. Shiraz

I really like the way I was getting the arrows to go towards the target. The hardest part was trying to keep my finger balanced on one side of the arrow. Evan

I enjoyed doing the hut building and the walk to the waterfall. I liked the hut building because you got to use your imagination. I liked the waterfall walk because I liked the views when you got there. Jewoseydi

I thought that the camp was very exciting and interesting because I got to see indigenous items such as boomerangs and didgeridoos. Daniel L

I found out that there were Australian animals at the camp such as: kookaburras, emus and kangaroos. Bojan

I was a risk-taker when I threw my boomerang and tried to catch it. Eesha
I found it interesting that you can make stories up from different types of painting and or rock carvings. Breanna

I was challenged when we had to cook the bananas for bush cooking. We had to wait until they came out of the fire to check and then eat them. Sophie

I was most proud of how I tried new things on the camp such as the bush cooking. The damper was difficult to cook just right because you had to keep on turning it over the heat of the fire. Abbey

I found it interesting because all around the campsite there was beautiful outback surroundings and wildlife. I found interesting that we had duty groups because we all had a chance to clean up and set up and everyone got served their food. Ela

I know that Aboriginal people have tribes that they are attached to. Oliver

I found it interesting that when we went to the Brambuk Cultural Centre that we saw a movie about a giant Emu and the Dreamtime story attached to it. Seth

I wondered what my friends were doing at camp. I have heard about the trip my friends made to the Brambuk Cultural Centre. Hunter
Recipe Request Form

At SEABROOK PRIMARY SCHOOL we are publishing our very own COOKBOOK! Seabrook Recipes of the World

As part of our Fundraising efforts, the P&F are delighted to announce that we are professionally publishing our very own stylish cookbook.

We chose this project as we have many wonderful cultures at our school and we would love to share them. More importantly, this will involve all of our children and their families.

We will produce a very special cookbook full of your most loved family favourites (from quick & easy weeknight dinners to special birthday desserts). It will make a truly beautiful and personalised gift for your family and friends.

Please help us compile this wonderful cookbook by submitting your favourite family recipes. We hope to receive recipes from ALL families.

It is SO simple to submit your recipes!

1. Go to the www.PublishedAuthors.com.au website and submit your recipes using their really quick and easy online template. Don’t delay; as submissions will close 11th of OCTOBER.

We encourage you to submit more than one recipe, as we may delete duplicate recipes.

2. Don’t have access to the internet? Just give us your recipe & we’ll try to find a volunteer to enter it for you. Contact either:

   Julie Enzerink – 0456537108, Julie@enzerink.net or Kym Ham – 0408764537, Kym.ham@live.com

3. We will soon distribute order forms so you can pre-order your copies of this very special cookbook.

4. Why not advertise your business in our cookbook?

   Email Jenny Cassar on cassar.jennifer1@edumail.vic.gov.au for advertising rates and enquiries.
As part of our fundraising efforts we are delighted to announce that we are professionally publishing our very own stylish cookbook. We choose this project as we have many wonderful cultures at our school and we would love to share them. More importantly it will involve all of our children and their families.

Only limited quantities of this professionally published cookbook will be available for sale. Discounts apply for orders of 3 or more, so why not order multiple copies as beautiful gifts for friends & family.

All funds raised will go towards up-grading our soccer field, play area and athletics facilities.

To secure your copy of our very special cookbook, return this Order Form with your payment in an envelope clearly marked “COOKBOOK” to the School Reception Front Office by 23 October. The cookbooks will be delivered in time for Christmas.

Prescribed Medication Authority Form

Dear Parent/Guardian,

Please be advised that if your child is required to take prescribed medication whilst at school a **MEDICAL AUTHORITY FORM** can be found on our Skoolbag App and the school website. This form should be filled out and signed off by your doctor before we can administer the prescribed drug.

Please Note: wherever possible, medication should be given outside the school hours, e.g if medication is required three times a day it is generally not required to be taken at school: it can be taken before and after school and before bed. If medication is to be administered at school the medication must be in the original packaging. You should have any questions/queries contact the Leadership Team.

Thank you for your support

LUNAR LIGHT BAND WITHDRAWN

Following the Commonwealth Banks decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, the Commonwealth Bank have decided to withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program.

The Commonwealth Bank appreciate this news may cause some disappointment for students who have been saving tokens to redeem the Lunar Light Band, however have released an alternative item to ensure eligible students continue to be rewarded for their savings efforts.

From Term 4, students will be able to test their skills with a game of frisbee with the new Galaxy Glider, which will be available for order while stocks last.

The Outer Space Money Box is also available for Term 4.

Saving regularly is an important habit to get into, whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday. Thank you for supporting the School Banking Program.
