From the Principal
Dear Parents / Guardians

GRADE 6 CANBERRA TOUR
We have heard from the teachers and children on the Canberra Tour that all is going well after the long bus ride on Monday. The children are enjoying their activities. So far they have visited the Royal Mint and Parliament House.

I had the pleasure of accompanying Mrs. Uschakov and Mrs. Pitts and the remaining year 6 students into Melbourne on Monday. We were very proud of the children's attitude and respect as we visited Melbourne Parliament House and the Shrine of Remembrance. The children will share some of their learning in this edition.

ASSEMBLIES
Learning how to behave in social situations is an important skill. Staff will be helping children understand the courtesies required when in more formal gatherings like assemblies. Naturally the bigger the audience the harder it is, but we will be expecting our children and visitors to support our efforts to help children act appropriately by sitting still, listening and contributing during the components of the assembly.

QKR PARENT ON-LINE PAYMENT SYSTEM
We are slowly introducing our new easy parent payment app. Unfortunately, we cannot yet offer this service for every financial transaction as we are still learning to use it correctly. Some activities require parents making options and we want to get it right. Our aim is to have it all up and running in term 4. Thank you for your patience and understanding. You will be notified if Qkr is one of the payment options on the note that is sent home giving information about the school activity and how to pay using Qrk. You might take some time now to start setting up the app with your password and children's details in readiness. Our office staff are more than happy to help.

DIARY DATES

Please do not park over our neighbours driveways when dropping off or when collecting your children. Thank you.

INTERNET PRIVACY
Teach children to NEVER give out full names, birth dates passwords, addresses and finance details to anyone, or share online.
FUNDRAISING NEWS

5 CENT COIN CHALLENGE
Thanks to all the families who supported our latest fund raising activity. A total of $2793.70 has been raised. The highest total of $203.20 was raised by Prep KS and 4MT raised $145.85. These classes have won a class pizza lunch. We will be holding a silver coin competition in September, so this is some prior warning to start collecting.

SEABROOK COOKBOOK
No further contributions can be taken for our international cook book. The Cook book can still be ordered. Order forms are available form the front office. This is a fund raising activity and we hope families will purchase these to send to family and friends.

FAMILY PAVERS
Family named pavers and year 6 student pavers will be offered to interested families in June and July. We hope to extend our path and have our Seabrook families recorded in history. More details to follow.

ENTERTAINMENT BOOK FUNDRAISER
The entertainment book for 2016 is available for sale. It may be purchased in the paper form or a digital version accessible via smartphone and is active from June 2016 to June 2017. This is an excellent money saving opportunity for families and in most cases can pay for itself with 3 coupons of value. There is a great variety of special deals on offer including fun family activities, food outlets, ranging from take away outlets to high end dining, movie vouchers, dry cleaning vouchers, shopping vouchers, sporting activities, accommodation, travel insurance and many others. For $65.00 per book this is excellent value.

TKS FIT 4 LIFE SESSIONS
We are lucky to have an active afterschool program for the children at Seabrook. Souzy and Theo run their keep fit classes at the school from 3:10pm – 4:30pm each Monday. They have additional free places. Feel free to pick up a brochure from the office notice rack.

Have a great week ahead.
Sue & Staff
We have been using our new whiteboards to show Miss Lindorff what we know about Numeracy. We used our whiteboards to show the numbers we know including friends of ten facts. We then drew some patterns such as shape patterns and number patterns like 1, 2, 1, 2 etc. We also had some fun by drawing the shapes we know.

The whiteboards have helped us with our writing as well and we can’t wait to keep using them in our classroom.

Here are some photos of us using our whiteboards.

Well done Prep SL - you are becoming great mathematicians!
Our term two Visual Arts program linked-in with the Year One Inquiry-“Communities are organised for our needs and wants”. The students used ‘Google Earth’ satellite images to explore and identify the features of our Seabrook community. Then they used the modelling medium- Plasticine, to create a section of their community with roads, buildings, services and other facilities. The individual art works were designed to join together to create a large, complete community. Modelling skills plus an understanding of the art elements of colour, shape, form and texture formed the basis for this art installation.

Well done to the students of 1SP, 1MD and 1EM for working together as a “community of learners” to create such a magnificent display. Thanks also to the many parents who visited the year one building to view and discuss the learning behind this art project with their children. The display has now been dismantled and taken home by some very proud students.

Paul Cochran – Visual Arts Specialist.
My students and I (the 5KP Lightning Bolts) have made a pledge to run a total of 60km on Wednesday. We will ALL run 1km together on Wednesday morning. They will then have the opportunity to run with me at recess and lunch to add to our total. Whatever distance is remaining at the end of the day - I will run it on Wednesday night!!!!!!
On Monday the 30\(^{th}\) of June the non – campers got to go on an excursion to the Parliament House in Melbourne. We learnt about the three levels of government, which are Federal, State and Local. We went inside the Upper House and the Lower House. In the Upper House we got to vote for a bill, which was about plastic bags. Some people volunteered to be the Speaker, Clerk and the Ministers. When those people were chosen, we did a role - play like what the real people would do. Each of us voted if we wanted to ban plastic bags or keep them and banning them ended up winning. After that we went to the library, which was really old. There was also a chandelier, which was 160 years old. The library was huge our mentor said that they had books from Harry Potter to R.L Stine the library was so big that there was a few ladders and there was an upstairs.

We also went to the Shrine of Remembrance and we learnt about World War 1. The first thing we did there was to watch a brief video about what the soldiers had to go through at young ages. After that some of us got to dress up into costumes of what they wore in that time. Then we saw the Victorian Cross medal and what it was earned for. We also saw a replica of a boat the battalions used in World War 1 to get to places. We went to a crypt but instead of dead bodies we saw the flags that represented the Battalions and where they went to fight. Then the last thing we did was we saw a message that said Greater love hath no man, and they told us on the 11\(^{th}\) of November at 11 o’clock the sun goes through a hole and shines on Love. Afterwards we got a poppy each and got to put it on the wall. We had lots of fun and we hope that we can go there again.

Cigarettes Bill 2016
Cigarettes Bill 2016 Full Script

While the Grade 6’s were at camp we made a bill to ban cigarette usage. This bill includes how cigarettes are bad for our health and environment. We hope we can get lots of votes on this bill from the non – campers. Breena is the minister for Caroline Springs, Bianca is the minister for the Environment and Chloe is the minister for Ballarat.

Minister for Caroline Springs

The Cigarettes Bill is an important bill. A majority of Victoria smokes cigarettes each day. Around 29% of Australia smokes cigarettes, including men and women. It’s not good for our health. It can cause cancer, which leads to a suffering life. I will be voting for this bill.

Minister for the Environment

I am pleased to support the Government’s bill today. Smoking can pollute the air and it gets us closer to global warming. It can spread to various places and effect people and animals. It makes it hard to breathe with all the pollution in the air. I will also be voting for this bill.

Minister for Health

Smoking effects our oxygen that comes from our trees. It also effects animals because they breathe the dirty air in as well. If you breathe dirty air, you are more likely to develop health problems and become ill. And as the Minister for Caroline Springs said, smoking leads to cancer. I will be voting for this bill.

Independent

Minister for Ballarat

Smoking is a huge problem, especially Passive Smoking. Passive Smoking is where people breathe in the smoke that is coming out from another person’s cigarettes. This is a major problem because children can breath in the smoke. It not only effects the person who is smoking but the people around them. I will definitely be voting for this bill.
This week’s word will be “Fa molto freddo”
It is very cold
Pronunciation…. Far Molto Freddo
In Victoria, smoking is banned on the grounds of, and within four metres of an entrance to, all childcare centres, kindergartens and schools.

INCURSION / EXCURSION / FUNDRAISING MONEY

When sending in money for incursions, excursions, fundraising etc., please send in the correct money and ensure that you have separate envelopes for each separate activity/event. We cannot accept foreign coins, as they are rejected by the bank, so therefore these will be returned to you. Please check you have included Australian currency only. Money is not kept in the office so we cannot provide change.

Parents need to give the correct money in a clearly marked envelope, in the mornings only, to the classroom teacher. Teachers are unable to accept money at the end of the school day as they are unable to leave money in the classroom. Cash payments are not accepted at the office. Parents are welcome to call into the school office to collect a few school payment envelopes to leave at home for this purpose. Alternatively, please ensure that the money is in a clearly marked envelope with student’s name, grade and amount and activity/event. Payments by Credit Card / Eftpos need to be in the amount of $10.00 or more.

Thank you for your co-operation.

Prescribed Medication Authority Form

Dear Parent/Guardian,

Please be advised that if your child is required to take prescribed medication whilst at school a MEDICAL AUTHORITY FORM can be found on our Skoolbag App and the school website. This form should be filled out and signed off by your doctor before we can administer the prescribed drug.

Please Note: wherever possible, medication should be given outside the school hours, e.g if medication is required three times a day it is generally not required to be taken at school: it can be taken before and after school and before bed.

If medication is to be administered at school the medication must be in the original packaging.

Should you have any questions/queries contact the Leadership Team.

Thank you for your support

CAMPS, SPORTS AND EXCURSIONS FUND

Parents are reminded that if you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for the CSEF. A special consideration category also exists for asylum seeker and refugee families.

The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

The annual CSEF amount per student is:
- $125 for primary school students

How to Apply
- Contact the school office to obtain a CSEF application form or download from the CSEF website. www.education.vic.gov.au/csef

Applications close 3 June 2016
Well done to the following students who received Bronze certificates:

**Grade 6 CANBERRA TOUR 30th of May to Friday 3rd of June**

All Muslims around the world will begin Ramadan on Monday the 6th of June and will conclude on Tuesday the 5th of July. Ramadan is the name of the ninth month in the Islamic lunar calendar. It is an important month in the Islamic calendar and culture. Each day during the month of Ramadan, Muslims around the world observe the sacred month by fasting during day light hours (from dawn to sunset), performing nightly prayers in addition to the daily obligatory prayers, and concluding each day’s fast over food with family and friends. At the end of the month is a three-day holiday that celebrates the conclusion of the month with Eid al-Fitr and prepares individuals to return to their regular daily routine. The main objective of fasting is to achieve piety and righteousness. This implies becoming conscious of our Creator, increasing our awareness of His Majesty, exalting and glorifying His names and attributes, appreciating His greatness, recalling His blessings upon us, and being grateful and thankful for His guidance.
