From the Principal
Dear Parents / Guardians

NAPLAN - IMPRESSIVE RESULTS
We are thrilled with these great NAPLAN results which is maintaining a steady improvement in learning over the last five years. We have excellent results at Year 3, a further improvement since 2015. Our data shows that across our Year 5 cohort there is significant growth in all areas also. Other data sets tell us that the average score of the children in each curriculum area is growing steadily and the number of students at the lower end of the learning continuum is shrinking. We are very pleased that despite the size of our school we are, in fact, continuing to improve the outcomes for our students. Congratulations to all the students and teachers for their hard work and commitment to aim for personal improvement throughout the curriculum.

Year 3

Year 5

continued report on the following page

SunSmart Policy
No hat... No play!
COMMENCING Sept 1st

HOME INTERNET RULES It's never too late to start talking to your children about the importance of online safety, and correctly using the Internet at home, and public places.
This week’s edition is full of amazing student work. We hope you enjoy their efforts.

**DISTRICT ATHLETICS**
Students from Seabrook Primary School performed very strongly at Tuesday’s local district athletics carnival held at the Newport track. The children had a terrific time challenging themselves in all the events. Many students received places and will go on to the next round of competition. Congratulations to all the competitors. A special mention goes to Mr Ganley for his organization of the day. The event ran smoothly thanks to his professional approach. Thanks also to staff and parents for their support on the day. Mr Ganley will present a more detailed report of the event next week and has included a report on the outcomes of the 1500m races held last Friday.

**UNIFORM REMINDER**
This is a reminder that to comply with our SunSmart policy our community should be wearing their hats everyday from Thursday September 1st. (next week)
The colour house team t-shirts may be worn by children in every grade level on Fridays and for special sports events. The official school uniform should be worn at all other times (with the exception of children in years 3-6 who may wear the sports uniform on days of sport/physical education). The official winter uniform comprises of the white long or short sleeved white shirt and jumper, winter tunic with navy stockings or trousers.

**QKR**
We’d like to encourage parents to make payments to the school using our Qkr app. It is safe quick and reliable. If parents are unsure about using their credit card to make payments they might like to consider loading a small amount of money onto a preloaded card available from the post office. Please check page 5 for more details to make this app more effective for you.

**DON’T FORGET DRESS UP DAY IS TOMORROW.**

**PARENT INFORMATION**
A parent information session on Personal Safety for Children has been organized after the break. The information session for parents will be held on Thursday 13th October on child personal safety. This is in response to the government’s ministerial order to communicate good school and community practices in safeguarding children from abuse. The session will be run by Child Wise which is an Australian not-for-profit organisation dedicated to the prevention of child abuse. Their Personal Safety for Children program is a core part of their approach to keeping children safe. This program aims to build resilience in children by educating them on their rights and responsibilities, and developing strategies which empower them to identify and speak up about concerns. The overall objective of the program is to help parents understand how we can ensure children have the knowledge, skills and confidence to prevent them from experiencing child abuse. The session will be held at the school starting at 6:15pm for one hour duration. Expression of interest will be forwarded in next few weeks.

Mrs O’Connor will prepare our newsletters until the end of term while I take some leave.

Have a great week ahead.
Visitors pass

Occupational Health & Safety Regulations, require any person working at Seabrook Primary School including Parent Helpers are required to **SIGN IN - COLLECT PASS - SIGN OUT** and return the Pass when leaving. If you are working in the Grade 1 area, you can sign in/out in the Grade 1 Building. For all other areas, please come to the office to collect a Pass.

Thank you for your co-operation.

---

**For your information**

**Cadbury Opt Out**

Seabrook Primary School will be running the Cadbury chocolate fundraising activity on the last week of term 3. We are hoping to reach our target to enable us to start work on the sports field re-development as soon as possible. We are giving families the opportunity to **opt out** of your eldest child taking delivery of a box of chocolates. Please return the form by **Thursday the 25th of August** before orders are placed with the company.

Thank you again for your understanding and commitment in helping us develop our grounds for the children.

Forms are available from the front office, our website and the skoolbag app.

---

**School arrival/departure time**

A reminder to Parents/Guardians that students must not be dropped at school without parental supervision prior to 8:30am, unless they are attending before school care. The school yard is supervised from 8:30am until the morning bell at 8:50am. Our school day ends when your child/ren are dismissed at 3:10pm so please collect your child/ren on time. If you are going to be delayed for an after school pickup, please phone the main office on 9395 1758.

Forms to register your child/ren for before or after school care at OSHClub are available in the brochure rack in the main reception area of the school.

---

**Dear Parents/Guardians of Years 3 - 6 students only**

**only 2 tickets left**

Tickets for Roald Dahl's Matilda the Musical tickets are now on sale. Tickets are $79.00 which includes ticket and the bus. Normally tickets are upwards of $100.

We have only a few left of the 53 seats available so tickets will go to students who pay the **Non-Refundable $79.00** in full, first. **Due to limited seating and high demand tickets can only be purchased using the school QKR application**, payment at the office will not be accepted. The excursion will take place on Wednesday the 9th of November. We will be leaving the school at approximately 11 am and returning to school around 5 - 5:30pm depending on traffic. We will keep you updated via the schoolbag app on the day.

---

**NOTICE**

**ALL VISITORS MUST COLLECT A PASS**

---
It’s time again to celebrate our language and cultural learning of Italian here at Seabrook Primary school. This year’s theme is Le Olimpiadi – The Olympics. Each year level will be involved in activities creating/designing/making fun things related to the 2016 Olympics.

Special days to remember during Italian week are:

**Monday 12th September**
**Italian Dress up day.**
*Come dressed as your favourite Italian character, favourite Italian sports person, Italian colours, food and fashion.*

**Wednesday 14th September**
**Pizza Day.**
*Students have been sent home a form to purchase a slice of pizza. Payment is due on Tuesday the 6th of Sept.*

**Thursday 15th September**
**Olympic sports day.**
*Students will be competing in various different sports in colour teams for the Junior School and Senior School. (If any parents are interested in assisting on this day please let Paula Thomson, Elena Pirovano or Rosita Savoia).*

Grazie,
Gli Azzurri
The Italian Team
Dear Parents and Guardians,
Thank you for embracing our new payment app. When using Qkr for school excursions, incursion and camp payments can you please ensure you are selecting the **correct student and grade** before checkout. Your assistance is greatly appreciated. Thank You.
Administration Team
The year two students inquired into how ideas and creativity change the way we live. The Inventions Exhibition was an inspiring experience that provided a fantastic opportunity for students’ to apply their knowledge and demonstrate the elements of the Primary Years Programme (PYP).

Throughout the Inventions Exhibition, students were involved in a collaborative process identifying, investigating and offering solutions to real life issues and problems. Students celebrated and explored multiple perspectives while demonstrating independence and responsibility for their learning.

Students exhibited the attributes of the IB Learner Profile and IB Attitudes by taking action as a result of their learning. The students undertaking the exhibition were independent, confident and curious, allowing them opportunities to showcase their passion for learning.

Teachers, parents and members of the school community united in a collaborative experience that incorporated the essential elements of the PYP.
My 400m Freestyle Swim!

I am Mack Horton; I am at the 400m men’s freestyle finals. I am in lane 5 of the 8 lanes. I have butterflies in my stomach. As I stand on my block I became as stiff as a board.

This is an amazing opportunity knocking on my door. The siren went BANG and SPLASH everyone dived into the cool water. The water flew past me as I fell behind James Guy and the other fierce competitors. I was gaining up to 3rd place and I fell behind again but I was not going to give up.

On the final lap I pulled out an ace. I reached the finish line in 13 mille seconds before the Chinese swimmer Sun Yang. Then came G Detti from Italy and then Connor Dwyer.

As I finished the race I was puffed out like a puffer fish, my cheeks were as red and wet as a crying baby in the rain. You can smell the sweat dripping down my forehead. The chlorine smelt stronger than ever before.

Once I had taken my goggles off I had an interview with channel 7. As I walked over to dry the dripping water off myself I strolled up to the interviewer. After the interview I went to see my excited family who were as proud as punch and happy for me. Then I stepped onto the podium and they gave me a gold medal. Afterwards they played the Australian Anthem and I sung proudly for my country.

By Jennifer

---

My 400m dash!

I walked inside and I heard ear-splitting screams from the whale-sized crowd. I felt so proud like a lion and time was the important key to swimming. Also when I saw the other contestants on the other side of the wonderful pool I felt nervous. I saw the gold medal just shining and hanging there in front of me. I saw the bright blue water waving at me and I was feeling excited and ready to go.

I was standing there and. ...BANG! I heard the roar of the furious siren. Then I heard a scream of the water splashing into my ears and I heard a scream of a little girl. Then I felt like a cheetah inside of my legs and the four-leafed clover in my head. I didn’t give up and the 100X battery inside of my bones fired strongly. When the butterfly swooped along my body I took a tremendous breath and swam fast like a fish when I heard the ringing of the golden bell of the last lap, but the Chinese swimmer was gaining on me. He was bad to the bone and then I turned my back and the screaming of the crowd gave me confidence. Then I saw the other advanced swimmers and I glanced at the wild zoo-like crowd, then I boosted like a bullet shot from a gun. I shot my arms forward and I heard my name so I pounced like a lion.

Then I just swam my fastest, then I heard a blurry of shouts from the coaches and I sprinted my feet as fast as I could. Then I hit my feet on the wall, it felt weird but I felt fierce like a fighting lion. I continued to shoot forward and to make sure that I swam far enough I became a shooting star so I would be first in this tragic race. All of a sudden a jaw-dropping swimmer was coming in first place, so I pumped up my legs and I slapped my hand on the end and became the winner. Then I won, I could smell the chlorine everywhere and then I earned my gold medal, it tasted like little coins. The water tasted like disgusting slugs. The tooth-breaking medal was pulling me downwards to the floor. I was so proud of myself that I almost fainted, but then I remembered I was standing in front of the humongous crowd.

By Atupuha
For the past few weeks the Grade 5’s have been working on Tessellations. They have created their own tessellations using various shapes and patterns. Here are a few descriptions by some of the students.

**Regular Tessellations**

A tessellation is a shape that makes a pattern and can fill the whole page with no gaps or overlaps. For example, a triangle can be made as a tessellation. Other than no gaps or overlaps, you could also calculate if a shape can be made as a tessellation. This is the rule on how to see if a shape can be made into a tessellation is to find the value of one of the shape’s angles. If the value of the angle you have calculated can be divisible by 360, the shape can make a tessellation

Patrick

**Escher Tessellations**

Escher tessellations are more creative and harder than regular tessellations. Escher tessellations can be anything such as animals, objects, bugs and billions of random shapes. Each have it’s own pattern and should fit together with no gaps or overlaps.

Lukas
As part of our inquiry into ‘how we express ourselves’, the grade fives had an incursion hosted by the Victorian Poetry Slam Champion. He talked about the power and magic of the written word and how important it is to express our emotions. Here are some student reflections of the day.

On Thursday, the 18th of August, we had the Victorian Champion in Poetry Slam visit. His name is Abe Nouk and he came to our school and told us about poetry slamming. We enjoyed listening and writing. He enjoyed seeing us enjoying our writing. He told us everything we write is magic and nothing is wrong. The sentence starters he gave us made us think very deeply and made us feel calm. We all enjoyed it.

Emma M

Last week, a man named Abe Nouk had a little visit in our school. He is a Poetry Slam Champion. He told the year 5 students to draw a line across our page. The reason he told us to draw a line across the middle of the page was because if we wrote past the line we would feel like we accomplished something. He told us to write about a person, a girl, that we have never met before. He said "if you can see them in your imagination, they are somewhere in this world". He told us to give this person a name and write about her, about her tragedies and her life. Then he told us to write the same thing about a boy. Then we wrote a letter to our younger self and then our older selves. At the end he performed a poem of his own. He really relaxed us and was very calming. He was very engaging and he was a good influence to all the grade 5 students.

Marley W

A man called Abe Nouk visited our school and he loves poems. Surprisingly, he was a refugee. He couldn't write, read or speak English well, so he worked very hard and became a poetry slammer. I really enjoyed the incursion. My favourite poem was about the pencil and the rubber. In 2015 Abe won the Australia Poetry Slam competition so I am very proud!

Abe also runs his own workshops and he taught us how to write a good poem. When he let us write he gave us a sentence starter and he said it is just like when children learn how to ride bike, because the sentence starter is just a push and we need to peddle hard and do the rest. When Abe said stop, everyone was still writing, so he was very proud of us too. When the poetry session ended, everyone wanted Abe's signature, but unfortunately, I didn't get one. Abe's poem and workshop was super engaging, so we are all very happy.

Mark Z
Well done to our 18 students who competed in the district 1500m races on Friday. The conditions were a little bit on the wet side, but the races were quickly run so everyone could get back to their to school or home as soon as possible.

The top 2 placegetters were to progress through to the Divisional level, as will be the case with the other 9 individual events plus the relays from Tuesday's main carnival. Of the 12 places available for the next level, we secured 7 of them. We got off to a good start in the 12yr Boys, with Johnathan leading from the start and slowly building his lead each lap of the race. Ethan and Braxton were fighting out for the 2nd spot and only 3 seconds separated them at the finish, with Ethan getting the 2nd place and Braxton 3rd. Johnathan was about 15 sec ahead of Ethan, which was a fantastic effort.

In the 11yr races the boys also performed quite well. Unfortunately we just missed the top 2, with Josh coming in 3rd place, only 7 sec behind 2nd and 9 sec behind 1st. Jacob and Corey also did a good job by coming 5th and 6th respectively. Well done. Our next group were the 11yr girls and we only had 2 competitors here, Tara and Zosia. They performed very well also, especially Tara, who sat with and Altona Meadows Primary School and Queen of Peace runner for the first couple of laps and then she made her move and started to pull away from them both. In the end she got her lead out to 10 seconds for a comfortable victory. Zosia wasn’t that far behind and came in 5th place.

In the 9/10 yr Boys, we had another good result with Billy, Brady and Declan. Billy was up there with a QOP runner for most of the race and Brady not far behind them. In the end Billy held on for 2nd by 3 sec from Brady in 3rd. Declan came in 9th position, but was a good effort considering he is only 9 this year and will have another year in the same age group next year.

In the 9/10 yr Girls we had another great result with Hayley slowly building a lead with each lap and Scarlett in a battle with two other girls for 2nd position. Sophia was also working hard in the rainy conditions. By the end, Hayley had a 14 sec gap over Scarlett who had pulled away from the other 2 competitors by 8 sec. Sophia came in 10th place in the race. Well done to all our runners and good luck to the 7 students who made it to the Divisional level. We will have a report from the main District Athletics day next week, as it was only held yesterday.

INCURSION / EXCURSION / FUNDRAISING MONEY

When sending in money for incursions, excursions, fundraising etc., please send in the correct money and ensure that you have separate envelopes for each separate activity/event. We cannot accept foreign coins, as they are rejected by the bank, so therefore these will be returned to you. Please check you have included Australian currency only. Money is not kept in the office so we cannot provide change.

Parents need to give the correct money in a clearly marked envelope, in the mornings only, to the classroom teacher. Teachers are unable to accept money at the end of the school day as they are unable to leave money in the classroom. Cash payments are not accepted at the office. Parents are welcome to call into the school office to collect a few school payment envelopes to leave at home for this purpose. Alternatively, please ensure that money is in a clearly marked envelope with student’s name, grade and amount and activity/event.

Payments by Credit Card / Eftpos need to be in the amount of $10.00 or more.

Thank you for your co-operation.
Yvonne Golomb Administration

Prescribed Medication Authority Form

Dear Parent/Guardian,

Please be advised that if your child is required to take prescribed medication whilst at school a MEDICAL AUTHORITY FORM can be found on our Skoolbag App and the school website. This form should be filled out and signed off by your doctor before we can administer the prescribed drug.

Please Note: wherever possible, medication should be given outside the school hours, e.g if medication is required three times a day it is generally not required to be taken at school: it can be taken before and after school and before bed.

If medication is to be administered at school the medication must be in the original packaging.

Should you have any questions/queries contact the Leadership Team.

Thank you for your support
Principal
Susan Lee
**Flying Snake Tail and Mudsplat Handball No Longer Available**

Congratulations to the following students who have received certificates this week:

**Bronze 10 deposits**
Dillon N, John M, Ream S & Hannah L

**Silver 20 deposits**
Nithika A, Aliyah H, Brianna R, Amber Q, Denys D, Edward W & Henon G.

Saving regularly is an important habit to get into, whether you are saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday. Thank you for supporting the School Banking Program.

Do you have a school banking questions or query?
