From the Principal
Dear Parents / Guardians

HAPPY NEW YEAR
Welcome back to all our Seabrook families and a very warm welcome to all our new families joining us this year. We hope you enjoy your time with us at Seabrook. We hope you will support us in developing strong and lasting partnerships between home and school to help us provide the best opportunities for all children. Please check into Skoolbag and other our communication sources regularly to keep informed about what is happening.

As a school we are very proud of our children, the ways in which they demonstrate enthusiasm, commitment and confidence in their learning. We have high expectations of behavior but also appreciate it takes some children a little longer to develop positive relationships.

Children across the school in grades 1-6 have settled in nicely and are working to develop their Essential Agreements, developing good personal, educational and social practices. Meeting their 2017 classmates and developing new friendships and connections is very important at this time of year. Our preps too are settling into the routine of school. Thanks to all the parents for helping making their transition into school easy. We have an information sessions today for our prep parents where daily routines will be outlined. Please meet in your child’s classroom at 6:30pm

It’s never too late to start talking to your children about the importance of online safety, and correctly using digital technologies and the Internet while at home, and in public places (free wifi zones).
PLAYGROUNDS
Our grounds are still a ‘work in progress’. We were hopeful that our new playing fields would be completed by the start of the school year, but unforeseen circumstances have delayed its completion. We now hope it will be ready by the week of February 13. Initially there will be some timetabled play during breaks for children in grades 1 - 6. Due to the height and spacing on the new rope climbing structure prep students will not be invited to use this equipment at this time.

CALL FOR NOMINATIONS NOW
2016 - 17
SEABROOK SCHOOL COUNCIL
Calls for nominations from interested parents for 2017-18 for Seabrook School Council will be invited soon. Please consider supporting your child’s school by having some involvement either on school council or on the subcommittees. Nominations are now open for two parent vacancies on our school council. If you are an enthusiastic parent interested in getting more involved and having a say in what our school is doing, or know someone who is, we would love to hear from you. We are looking for people who are committed to improving the educational outcomes for all our students.
Effective councils have a broad range of experience, skills and expertise. Face-to-face and online training is also available to help councillors develop the skills and knowledge for the job. Parents find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Nominations close on Monday 20th February and forms are available from school reception. Parents may wish to self-nominate or nominate another.

Some notices will be handed directly to the children so please check their bags. All notices regarding school events and other information can be retrieved from these sources.

BOOK PACKS AND FEES
Please make sure your child has their personal classroom requisites to start the term. You are welcome to source your own supplies or we can help you.

MEDICAL CONCERNS
Please let your teacher know if your child suffers from allergies or special medical conditions. The most up-to-date information you can supply will enable us to take the best care of your child’s needs at school.

SEABROOK’S VISITOR CAR PARK
We acknowledge we have very limited visitor car parking. Please remember this is a short stay park and once the car park is filled we won’t allow additional cars to enter. This is for the safety of passengers and allows parked vehicles to reverse safely. Entry to this car park is at the owners risk. The school does not hold insurance for accidents to personal property. Please use this space safely and courteously. Streets around our school have parking restrictions please observe these. To clarify, ‘No Standing’ means no stopping, even for “a minute”.

SCHOOL BANKING
Seabrook offers school banking for our students. A team of volunteers collects and counts the money each week. Helpers are always welcome.

EXTRACURRICULAR ACTIVITIES
Singing, guitar and keyboard lessons will be offered shortly through TMT Music Tuition and Primary Music commencing week three. Signing and guitar lessons begin this week and after school chess lessons will also be offered shortly. This forms are available from our website, skoolbag and in the office area.
ALLERGIES
Over the past few years there have been an increasing number of children who have been diagnosed as having severe allergic reactions to certain foods and insect stings. In our school there are students who have been medically diagnosed as having anaphylaxis which can be severe, rapidly progressive allergic reactions that can be life threatening.
We want to provide a safe and supportive environment in which all students at risk can participate in all aspects of schooling. We also want to reduce the anxieties for these students and their families by educating our community about the dangers certain food products brought to school pose. Foods to be aware of include peanuts, tree nuts (hazelnuts, cashews and almonds) eggs, cow's milk, wheat and soy. Other common allergens are insect stings, latex, medications and anesthesia.
In a school setting cross contamination from one child to another during eating time is of concern. This contamination could be the result of food wrappings, crumbs, and spills, be airborne or through children sharing equipment within the classroom or outside environment.
We appreciate your understanding and hope you will support the children who are affected by this condition. The children dealing with these allergies will feel supported knowing that other children are not bringing in particular, peanut and other nut based spreads and products to school.
Should you require further information regarding allergies please refer to the following websites:
www.allergy.org.au

UNIFORM
The Uniform Committee would like to remind parents that we follow our Seabrook School Uniform Policy. Please refer to the Parent Handbook on our website. We would like to remind parents that white polo knit shirts are not school uniform and that black shoes or runners are preferred. each Thursday at Seabrook. It is run by parent volunteers and parents can sell uniform items in good order and buy second hand items. The shop is open Thursday afternoons from 2:30pm – 3:30pm. If you can help for one hour in the shop please let the office know.

Year 3 The choices we make have a lifelong effect on our wellbeing.

Year 4 Values and beliefs influence personal identities.

HELP NEEDED: If any parent is able to help assemble several bookcases in the Y.3 building it would be much appreciated. Please see Ann O’Connor or Erin Wilson. Also in time we may ask for parents to speak or work with the classes on health and wellbeing. Let your class teacher know if you are able to assist.
Well done to the students who attended our first squad swimming session Monday morning at Laverton Pool. We had 19 and it was great to see some new faces for the first time, as well as some regulars coming back. Thanks to all the parents or family members who brought the children to and from the pool at 7am. Also thanks to Mrs. Joyce and Ms. Easson who ran the training session and Mr. Trott and Mrs. Ham for helping with the breakfast back at school.

It’s not too late to come along to the remaining 3 sessions at Laverton Pool (Jennings St. near Laverton College) Thursday 9th Feb is the next session, then Monday 13th and Thursday 16th Feb. It’s from 7am-8am and the cost is $3 to be paid at the entrance on arrival. We will then have a session and trials at Werribee in the week following.

We then have breakfast for the kids back at school in the gym, so they can get to know each other. If you are turning 9 at least this year, you are welcome to come along and join the group.
