

Empathy

We need to show **empathy** to others because we need to understand how people are feeling so we can help them.

Respect

In our classroom we will show **respect** to other people and belongings by listening when people are talking, treating people and belongings how we want to be treated, helping them when they need it, using an appropriate tone of voice when communicating and understanding why people need privacy

Commitment

We need to be **committed** to our learning at all times.

Tolerance

It is important to show **tolerance** to other people because we need to accept people for who they are, what they do and where they come from.

Principled

We can be **principled** by looking after everyone, listening carefully, following our essential agreement and making good choices.

Integrity

2EP will show **integrity** when we tell the truth and admit when we are wrong.
