

In 2LJ we are good **COMMUNICATORS** because we always listen to each other and we put our hand up to share. We always use whole-body-listening when listening to others.

We show **RESPECT** by using our manners, listening and following instructions the first time. We also show respect by **CARING** about each other's needs and showing **APPRECIATION** by treating others the way we want to be treated.

We show **COOPERATION** by helping our classmates, working in a team and treating each other fairly.

We show **INTEGRITY** in our class by being honest and always telling the truth. We also show **COMMITMENT** to our learning and always give our best effort. We are **INDEPENDENT** learners because we can work by ourselves and focus on our own learning goals.

We are **RISK-TAKERS** because we try things that are new to us and we never give up. We are **PRINCIPLED** in our class because we make good choices in our learning and know how to be safe.

We show **CONFIDENCE** and **ENTHUSIASM** towards our learning by having a go, overcoming our fears and being able to teach others.

We show **EMPATHY** by acknowledging how others feel and trying our best to comfort each other. We show **CREATIVITY** by using our imagination, applying our best effort to our work and using our own ideas.
