This agreement and set of guidelines were brainstormed and discussed in our class. These are to be signed by each student as a commitment to each and every guideline.

**Respect**
- Being polite, using our manners and being kind to ourselves and others by making good choices.
- Showing the skills of a good listener
- Taking care of our own and others' property including our environment.
- Putting our hand up and waiting patiently to speak.
- Treat others like we would like to be treated.
- Talk using an inside voice and always talk with a friendly tone.

**Tolerance**
- Respecting and celebrating people's similarities and differences. No bullying.
• Being open minded and accept other peoples idea’s and beliefs without judgment.

Integrity
• Being honest to ourselves and others.
• Always try do the right thing.
• Play fairly and share.
• Always do the best we can and give new things ‘a go’.

Co-operation
• Work as a team by sharing, taking turns and supporting each other in our learning.
• Being time wise and always be in control of our learning.

We agreed that our classroom was a special place where we should feel supported, respected and relaxed at all times.
