

## 3MB Essential Agreement

We will never give up!

In 3MB we will always show respect to everybody. This means, students, teachers, ourselves, our parents, our family, our community. We appreciate the things that we have in our classroom. We will appreciate each other. We will respect our belongings and the school property. We will show confidence when we work on our own, and in a group. We will be confident when trying new things.

We will step up and present confidently when asked!

We are inquirers in 3MB, we strive to be knowledgeable about lots of different topics. We will learn about many different things and try to learn all we can. We will care for someone if they are hurt. 3MB will show caring by being kind and nice to each other. We will try to be the best, nicest students we can!

**Appreciation:** We recognize and are grateful for the good qualities we find in people and the world around us.

**Commitment:** We show responsibility and self-discipline in choosing to finish whatever tasks we start.

**Confidence:** We believe in our abilities, and use our knowledge to give our best effort in any situation.

**Cooperation:** We work and collaborate with others for everyone's benefit.

**Creativity:** We use our imaginations to think in new and different ways to learn and solve problems.

**Curiosity:** We are eager to learn new things about others, the world and ourselves.

**Empathy:** We try to imagine and share other people's feelings in order to better understand them.

**Enthusiasm:** We enjoy learning new things and put forth great effort.

**Independence:** We think and act for ourselves, making our own reasonable decisions and judgments.

**Integrity:** We consistently demonstrate honest behaviour and treat others fairly.

**Respect:** We value and care for other people, the world and ourselves.

**Tolerance:** We are sensitive to others' differences and care about their needs.
