

## 5KP Essential Agreement

### Respect

5KP will show respect by respecting the teacher, classroom, classmates, the rules, things in the classroom and other people's property. 5KP will accept other people and won't judge them. Everyone will say positive things and use their manners. We will be fair, play with lonely people and not cheat in games. Everyone will listen to each other's ideas and use teamwork.

### CO-OPERATION AND COMMUNICATOR

\* In 5KP we like to share our ideas

\* In 5KP we work well with other classmates and in groups

\* In 5KP we like to ask a lot of questions when we are not sure about something

\* In 5KP we like to help other classmates when they need help

\* In 5KP we respect others when working with them

\* In 5KP we don't take our frustrations out on other people

### In 5KP we show Commitment and Enthusiasm by;

- Not giving up
- Having consistency in our work
- Not speaking negative words
- Displaying our best effort
- Doing our homework on time

- Showing good sportsmanship and teamwork
- Accepting learning tasks positively
- Enjoying what we are doing
- Being happy and positive until the end

### Thinker

In 5KP we are Thinkers. We make smart choices and be responsible. Being a thinker is also about being knowledgeable. It also means to be independent. We do this by cleaning up our workspace, and not getting distracted. When Miss Payne (or another teacher) is talking we don't be silly. We listen carefully to what the teacher is saying. When we work in groups, we listen to what other people are saying. As thinkers, we think about the consequences before we act or speak. We think creatively and come up with ideas from 'outside of the box'.

### Risk-Taker and Confidence

Students of 5KP are risk-takers! We do this by trying new things and trying our best. We are confident and believe in ourselves and others. We give things a go, even if we are not completely sure or don't think we will be good at it. We are risk-takers by showing confidence when doing something new.

**Home Learning Expectation:** If all of our Home Learning is not completed and shown to Miss Payne on Friday morning, we have to finish our Home Learning during Friday Fun Day time (if the class has earned this for the week).

### EDMODO Rules:

1. All posts (including pictures) must be appropriate for school and positive in message.
2. All posts should use proper English grammar and spelling. Although Edmodo feels like Facebook, texting, etc., it is still a school platform and your best communication skills are expected. Miss Payne will not accept any abbreviated slang like lol, gr8, etc.
3. Posts should be made at appropriate times of day. Student posts made well after bedtime will be brought to the attention of parents.
4. Edmodo is NOT for chatting or messaging, unless it is about a current school topic.

If any of the above rules are not adhered to, Miss Payne will block you from being involved in the Edmodo group.

### Rewards:

- Name on Raffle for individual achievements or behaviour (determined by Miss Payne)
- FRIDAY FUN DAY letters can be earned across the week for positive learning experiences as a class. Students who have done the right things during the week can have Free Choice on Friday afternoons (as determined by Miss Payne) if all other work is complete and the class has earned it.
- Assembly Awards from Miss Payne

**Consequences:** If classroom rules are not adhered to, students will receive 2 warnings. They will then spend some snack or lunch time with Miss Payne for discussions. Serious behavioural concerns will be referred to Mrs Lockwood and parents called.
