

5SK are a community of learners that hold high standards of ourselves and of each other. We are hardworking and always strive to improve ourselves. We are sensible, caring and friendly and aim to be good role models within the Seabrook community.

We will be **THINKERS** by actively thinking about our learning and set goals to improve. We also think about how our actions affect ourselves and others.

We will be **OPEN-MINDED** by being open to other people's ideas. We respect each other's values and beliefs. We appreciate others' knowledge and experiences because it can help improve our learning.

We will be **PRINCIPLED** by treating each other in the way we want to be treated. We will be fair to others. We show integrity by always telling the truth. We will arrive to school and each lesson on time every day.

We will be **KNOWLEDGEABLE** by taking ownership of our learning. We will not disrupt the learning of others nor allow others to disrupt our learning. We will research information using a variety of different sources.

We will be **COMMUNICATORS** by cooperating to convey our ideas. We use words that are respectful, empathetic and positive. We will not be afraid or shy to ask Ms. Kishore or our classmates for help. We will talk to Ms. Kishore, our parents or our friends if we are upset.

We will be **INQUIRERS** by asking thoughtful questions to gain more information. We will continue to be curious about our interests and the world around us. We will dive more deeply into topics to gain a deeper understanding.

We will be **CARING** by having a kind heart and ensuring our classmates feel included. We are mindful of people's personal space. We show empathy by imagining ourselves in someone else's situation. We demonstrate sympathy if someone is hurt physically or emotionally. If someone is feeling upset we/Ms. Kishore will ask if they are ok.`

We will aim to live a **BALANCED** life, physically, socially and emotionally. We recognise the importance of healthy eating, exercise and 'mindfulness'. We enjoy participating in a range of activities both at school and at home.

We will be **REFLECTIVE** by understanding our strengths and weaknesses. We regularly set learning goals and review these. We recognise our achievements and make decisions about how we can improve in the future. We carefully consider the consequences of our actions.

We will be **RISK-TAKERS** by being brave and trying new ways of learning. We will set challenging goals and believe in our ability to achieve them. We won't overthink things and focus on the positive aspects. We can learn from our mistakes. We will demonstrate confidence by 'having a go'.

In 5SK, positive choices lead to positive consequences; negative choices lead to negative consequences.

WE make the choice:

Positive:

- Verbal praise and encouragement
- Achievement awards at Assembly
- Marble jar reward system
- Participation in Fun Friday

Negative:

- First verbal warning, reminder of Essential Agreement.
- Second verbal warning. Moved to a different spot.
- Chat with Ms. Kishore during recess/lunch.
- Removal from the class. Sent to another classroom for at least 15 minutes. No participation in next Fun Friday.
- Meeting with Mrs. Lockwood and parents.
