

# Grade 2MC

## Essential Agreement

**We make sure our classroom is a happy and safe place.**

We **cooperate** by working together, taking turns, and helping each other learn.

We **care** for each other by speaking kindly and looking after each other.

We are good **communicators** because we use our soft voices in the classroom, we listen when someone else is speaking, and we put our hands up before talking.

We show **enthusiasm** and **independence** by having a 'Red Hot Go', believing we can do it and finishing our work.

We are **risk takers** because we love to try new things.

We show **integrity** by telling the truth and doing the right thing.

We are **reflective** when we think about our learning and share our thoughts with others.

We show **respect** by looking after our things and our classroom, and by always using our manners.

We are **tolerant** of others because we learn from each other and include everyone in our games.

**Rewards** for doing the right thing:

- ❖ Special choices for filling up your rewards chart – reading in the library corner, working at Mrs Collyer's desk for one learning session, 15 minutes of iPad time after lunch.
- ❖ Free play on Friday afternoons when all our work is finished.
- ❖ Games inside or outside when we can.
- ❖ A Happy Time at School!!

**Consequences** for not doing the right thing:

- ❖ You will get two verbal warnings from Mrs Collyer.
- ❖ If you are still not following our Essential Agreement, you will need to take a break from the activity and the group to think about your behaviour.
- ❖ If you continue to make negative choices, you will spend time away from our classroom and your parents will be called in to have a meeting with Mrs Collyer.
