For 2017 a new system will be implemented for children's book packs and fees. There will be no collection day next year as in the past. All payments made in 2016 will guarantee that your child's pack will be checked and delivered to your child's classroom by the 1st day of term 1, 2017. Payments can now be made using Qkr. If alternatively you choose to pay with your credit card simply fill in the attached form and return to school by the end of term 4. Cash payments will be taken during office hours.

The price of **\$60** is to ensure quality items can be included on the booklist for personal student requisites. Families can buy these items but it is recommended they are bought through the school as the school can negotiate the best price by buying the items in bulk. Other advantages include students all have the same supplies and materials are of equal standard.
