Dear Parents/Guardians,

Students are inquiring into how “the varieties in literacies enhances our lives” using the key PYP concept of perspective as a lens to consider how we decode, make meaning and communicate in the twenty first century using various modes of literacy. Multimodal texts provide stimulus for students, and during this inquiry we will examine the five modes of literacy; audio, visual, language, gesture and spatial organisation. As part of our inquiry, students will explore a range of literacies which help enhance their learning. To further develop their understanding towards the inquiry topic, a learning experience has been organised.

The learning experience is a CARTOON WORKSHOP, which will be held at school by a professional cartoonist. The cartoon workshop will be on Thursday 25th February 2016. The cost for the workshop is $4.00.

The payment for the workshop will need to be returned to your child’s classroom teacher along with the signed permission slip below by Friday 19th of February 2016.

If you have any questions, please don’t hesitate to ask your child’s classroom teacher.

Regards,
Ms Noni McClure, Ms. Keiko Martin, Mrs. Sharon Peterson, Mr. Kevin Wood, Ms Erin Wilson, Mrs. Ritu Bahadur and Mrs. Pamela Dalli
