Dear Parents/Guardians,

Unit of Inquiry PG Movies or Documentaries as well as end of Term Movies

Throughout this year, the students will be investigating units of inquiry centered on important issues and current events. In order to promote taking action, investigate student wonderings and generally enhance the inquiry process we are asking our parents to support our inquiries through film study.

The year level team will therefore, from time to time, arrange for the students to watch films and documentaries, which are rated PG for inquiry and educational purposes. On occasions there may also be an end of term movie or literacy-based movie shown.

If you have any questions or queries, please see your child's teacher or your child's Assistant Principal.

Thank you for your support,

Year 6 Team
