Term 4 Cooking Program

Dear Parents/Guardians,

Over term 4 the prep grades will be participating in cooking experiences to assist with our sixth inquiry '**Where we are in place and time**'. The cooking experiences are linked to developing students understanding of the central idea, '**The food people eat, can be produced in many ways and places.**'

These experiences are aimed at developing students social, language and writing skills. Below are the learning experiences the students may participate in over the term.

The children will make:

Butter served on biscuits or bread. The ingredients we will be using for butter are:

- Woolworths Select Brand Cream
- Arnott's Savoy Biscuits
- Dollar Sweet 100s and 1000s
- Woolworths White wheaten bread.

Bread. The ingredients we will be using for bread are:

- Lighthouse White Bread Mix
- Woolworths Essential Butter Dairy Blend

Should you have any concerns about your child participating in the Cooking experiences, please contact your classroom teacher. Can you please return the signed note to your classroom teacher by **Monday, the 8th October**.

Thank You

Prep Teachers.
